Shotgun Bore Mops Safety Instructions

Introduction

Thank you for choosing the DEWEY Shotgun Bore Mops. These mops are designed to help maintain and clean your shotgun effectively. To ensure your safety and the safe use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the shotgun bore mops in accordance with the manufacturer's instructions.
- Ensure that the shotgun is unloaded and pointed in a safe direction before using the bore mop.
- Keep bore mops out of reach of children and vulnerable individuals.
- Inspect the bore mop for any damage before use. Do not use if damaged.
- Do not use bore mops for any purpose other than cleaning shotgun barrels.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only with shotguns that have a caliber of 20 Gauge or 28 Gauge.
- Ensure that the bore mop is securely attached to the shotgun rod before use.
- Avoid using excessive force when cleaning to prevent damage to the bore mop or shotgun.
- Do not leave the bore mop unattended while in use.
- If you experience any allergic reactions to cotton or brass, discontinue use immediately and consult a medical professional.

Instructions for Installation and Usage

1. Preparation

- Ensure the shotgun is completely unloaded.
- Gather all necessary cleaning equipment, including the bore mop, cleaning rod, and cleaning solvent if desired.

2. Attaching the Bore Mop

- Take the bore mop and locate the brass coupling.
- Screw the brass coupling onto the standard five sixteenths²⁷ shotgun rod until secure.

3. Using the Bore Mop

- Dip the bore mop in a suitable cleaning solvent if desired.
- Insert the bore mop into the shotgun barrel gently.
- Pull the bore mop through the barrel using a smooth and steady motion.
- Repeat as necessary until the barrel is clean.

4. PostUse Care

- Remove the bore mop from the shotgun rod after use.
- Clean the bore mop with water and allow it to dry before storing.
- Store the bore mop in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn bore mops in accordance with local regulations.
- Do not dispose of bore mops in regular household waste if they contain hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the DEWEY Shotgun Bore Mops, please contact your local retailer or the manufacturer directly. Ensure to keep this manual for future reference.

By following these safety instructions, you will help ensure a safe and effective cleaning process for your shotgun. Thank you for your attention to safety!
