Shotgun Bore Mops Safety Instructions

Introduction

Thank you for choosing DEWEY Shotgun Bore Mops. Our product is designed to provide effective cleaning for your shotgun while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always ensure that the firearm is unloaded before using the shotgun bore mop.
- Keep the shotgun bore mop out of reach of children and unauthorized users.
- Inspect the shotgun bore mop for any damage before each use. Do not use if damaged.
- Use the product only for its intended purpose – cleaning shotgun barrels.
- Follow all local laws and regulations regarding firearms and cleaning supplies.

Specific Safety Precautions for Use

- Avoid using excessive force when inserting or removing the mop from the shotgun barrel to prevent damage to both the mop and the firearm.
- Do not use the shotgun bore mop with any cleaning solvents that are not recommended for use with cotton materials.
- Ensure that the area is wellventilated when using any cleaning solvents.
- Always wear appropriate personal protective equipment (PPE) such as gloves and safety glasses when handling cleaning materials.

Instructions for Installation and Usage

1. Preparation:

- Ensure the shotgun is completely unloaded.
- Gather all necessary cleaning materials, including the shotgun bore mop, cleaning solvent, and a cleaning rod with compatible threads.

2. Attaching the Bore Mop:

- Take the shotgun bore mop and align it with the cleaning rod.
- Screw the brass coupling of the bore mop onto the cleaning rod until it is securely attached.

3. Cleaning the Shotgun:

- Apply a small amount of cleaning solvent to the cotton mop.
- Insert the mop gently into the shotgun barrel.
- Rotate the mop as you push it through the barrel to ensure thorough cleaning.
- Pull the mop back out gently, taking care not to snag it on any obstructions.

4. PostCleaning:

- After cleaning, inspect the mop for any signs of wear or damage.
- Clean the mop with warm water and mild detergent if necessary. Allow it to dry completely before storage.

Disposal Instructions

- Dispose of any damaged or worn shotgun bore mops in accordance with local waste disposal regulations.
- Do not dispose of cleaning solvents or chemicals in regular trash. Follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of DEWEY Shotgun Bore Mops, please reach out to your local retailer or manufacturer. Ensure you have the product details on hand for reference.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your DEWEY Shotgun Bore Mops. Thank you for your attention to safety.
