Safety Instruction Guide for 20 Round Rifle Slip Top Ammo Boxes

Introduction

Thank you for choosing the MTM CaseGard J20 series ammunition cases. These boxes are designed for the safe storage and transportation of rifle ammunition. This guide provides essential safety instructions to ensure the safe use of this product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition boxes out of reach of children and unauthorized persons.
- Inspect the ammo boxes regularly for any signs of damage or wear.
- Use the ammo boxes only for their intended purpose, which is to store and transport ammunition.
- Report any unsafe products or incidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the ammo box is properly closed before handling or transporting.
- Avoid overloading the ammo box beyond its capacity (20 rounds).
- Do not expose the ammo box to extreme temperatures or harsh conditions.
- Handle ammunition with care, following all applicable safety regulations and guidelines.
- Do not mix different types of ammunition in the same box to avoid confusion and potential hazards.

Instructions for Installation and Usage

1. Loading the Ammo Box:

- Open the slip top of the ammo box.
- Place the ammunition securely inside the box, ensuring it is not overcrowded.
- Close the slip top firmly to prevent accidental opening.

2. Transporting the Ammo Box:

- Always carry the ammo box in a secure manner to prevent dropping or damage.
- If transporting in a vehicle, ensure the box is secured and will not move during travel.

3. Storing the Ammo Box:

- Store the ammo box upright in a designated area away from flammable materials.
- Ensure the storage area is wellventilated and free from humidity.

4. Checking for Damage:

- Before each use, inspect the ammo box for any cracks, chips, or other damage.
- If any damage is found, discontinue use and replace the ammo box.

Disposal Instructions

- Dispose of the ammo box in accordance with local regulations for plastic waste.
- Do not burn or incinerate the ammo box, as this may release harmful chemicals.

- If the ammo box is no longer usable, consider recycling it if facilities are available.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of this product, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using the MTM CaseGard J20 series ammunition cases. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
