

BORE MOPS - DEWEY 17 CALIBER 5-40M BORE MOP

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

Our bore mops are 100% cotton with solid brass twists and cores. These mops are used to apply solvents or rust preventative agents to the bore. They can also be used to remove excess solvents in lieu of using several patches. We clean our mops and reuse them several times. The larger sizes are great for cleaning chambers.

Attributes

- Name: [DEWEY 17 CALIBER 5-40M BORE MOP](#)
- Manufacturer: [DEWEY](#)
- Product no.: 749000165
- Mfr. No.: M17

Safety Instruction Guide for BORE MOPS DEWEY 17 CALIBER 540M BORE MOP

Introduction

Thank you for choosing the BORE MOPS DEWEY 17 CALIBER 540M BORE MOP. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read through the entire manual before using the bore mop.

General Safety Guidelines

- Always use the bore mop in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bore mop for any damage before each use. Do not use if damaged.
- Do not use the bore mop for any purpose other than intended.
- Store the bore mop in a cool, dry place away from direct sunlight and moisture.
- Dispose of any used solvents or chemicals according to local regulations.

Specific Safety Precautions for Use

- Ensure you are wearing appropriate personal protective equipment (PPE) such as gloves and safety goggles when using solvents or rust preventative agents.
- Avoid inhaling fumes from solvents. Use in a wellventilated area.
- Do not ingest any solvents or rust preventative agents.
- Do not allow the bore mop to come into contact with open flames or heat sources.
- If any solvent comes into contact with skin or eyes, rinse immediately with plenty of water and seek medical advice if necessary.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the bore mop, solvents, and cleaning tools.
- Ensure your workspace is clean and wellventilated.

2. Applying Solvents:

- Attach the bore mop to a cleaning rod compatible with the bore mop size.
- Soak the bore mop in the chosen solvent, ensuring it is adequately saturated but not dripping.
- Insert the bore mop into the bore of the firearm gently, avoiding excessive force.

3. Cleaning:

- Move the bore mop back and forth through the bore to apply the solvent evenly.
- After cleaning, remove the bore mop and inspect for residue.

4. Removing Excess Solvents:

- If necessary, use a clean bore mop or patches to remove excess solvent from the bore.
- Repeat the cleaning process as needed until the bore is clean.

5. PostUsage Care:

- Clean the bore mop after each use with warm water and mild detergent. Rinse thoroughly.

- Allow the bore mop to dry completely before storing it.

Disposal Instructions

- Dispose of any used solvents, chemicals, or damaged bore mops according to local environmental regulations.
- Do not dispose of solvents or chemicals in household waste. Check for local hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the BORE MOPS DEWEY 17 CALIBER 540M BORE MOP, please refer to the manufacturer's contact information provided on the packaging or the product's official website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your BORE MOPS DEWEY 17 CALIBER 540M BORE MOP. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
