

# BORE MOPS - DEWEY 22-27 CALIBER BORE MOP

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

Our bore mops are 100% cotton with solid brass twists and cores. These mops are used to apply solvents or rust preventative agents to the bore. They can also be used to remove excess solvents in lieu of using several patches. We clean our mops and reuse them several times. The larger sizes are great for cleaning chambers.

## Attributes

- Name: [DEWEY 22-27 CALIBER BORE MOP](#)
- Manufacturer: [DEWEY](#)
- Product no.: 749000167
- Mfr. No.: M-22

# BORE MOPS DEWEY 2227 CALIBER BORE MOP

## Safety Instruction Guide

### Introduction

Thank you for choosing the BORE MOPS DEWEY 2227 Caliber Bore Mop. This product is designed to assist you in maintaining the cleanliness and efficiency of your firearm's bore. To ensure your safety and the safe use of this product, please read and follow the instructions provided in this guide.

### General Safety Guidelines

- Always use the bore mop in a wellventilated area to avoid inhaling fumes from solvents or rust preventative agents.
- Keep the bore mop out of reach of children and pets to prevent accidental ingestion or injury.
- Inspect the bore mop before each use. Do not use if damaged or frayed.
- Store the bore mop in a cool, dry place away from direct sunlight and heat sources.
- Dispose of used solvents and cleaning materials in accordance with local regulations.

### Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction before using the bore mop.
- Use protective gloves when handling solvents or rust preventative agents to avoid skin irritation.
- Avoid contact with eyes and mucous membranes when using cleaning agents.
- Do not mix different cleaning solvents as this may create harmful reactions.
- Follow the manufacturer's instructions for any solvents used with the bore mop.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary materials: bore mop, cleaning solvent, protective gloves, and a cleaning rod.

#### 2. Application:

- Attach the bore mop to the cleaning rod securely.
- Soak the bore mop in the appropriate cleaning solvent.
- Insert the bore mop into the bore of the firearm, applying gentle pressure.
- Pull the bore mop through the bore to clean. Repeat as necessary until the bore is clean.

#### 3. PostUse Care:

- After use, clean the bore mop with warm water and mild detergent.
- Rinse thoroughly and allow to dry completely before storage.
- Store the bore mop in a protective case or container to maintain its shape and cleanliness.

### Disposal Instructions

- Dispose of used bore mops and any cleaning materials in accordance with local environmental regulations.
- Do not dispose of solvents down the drain or in regular household waste. Follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**
