# **Safety Instruction Guide for BRUSH ADAPTERS, LOOPS AND SHOTGUN IMPLEMENTS DEWEY SMALL BRUSH ADAPTOR PARKER HALE**

## **Introduction**

Thank you for choosing the Dewey Small Brush Adaptor Parker Hale. This product is designed for use with Parker Hale brand rods and standard 832 brushes and accessories. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## **General Safety Guidelines**

- Always read the product instructions before use.
- Ensure the product is compatible with your equipment.
- Inspect the product for any signs of damage before use.
- Store the product in a dry place away from children and pets.
- Follow local regulations regarding the use and disposal of cleaning products.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check the EU's Safety Gate platform for recall updates.

## **Specific Safety Precautions for Use**

- Use the SMPH adapter only with compatible 22 cal Parker Hale rods.
- Ensure that the adapter is securely attached before using any brushes or accessories.
- Do not use the product if it appears damaged or worn.
- When using the SPL brass shotgun patch loop, avoid excessive force to prevent breakage.
- For the NSL nylon shotgun patch loop, ensure it is properly threaded to avoid detachment during use.
- Keep all cleaning tools out of the reach of children.
- If you experience any discomfort or injury while using the product, discontinue use immediately and consult a professional.

## **Instructions for Installation and Usage**

### **1. Installation of SMPH Adapter:**

- Ensure the Parker Hale rod is clean and free from debris.
- Screw the SMPH adapter onto the end of the rod until secure.
- Attach the desired brush or accessory to the other end of the adapter.

### **2. Using the SPL Brass Shotgun Patch Loop:**

- Thread the SPL loop onto the male threaded end of the Dewey rod.
- Ensure it is securely fastened before use.
- Insert a patch into the loop and proceed with cleaning as necessary.

### **3. Using the NSL Nylon Shotgun Patch Loop:**

- Attach the NSL loop to the male threaded end of the Dewey rod.
- Verify that it is tightened properly.
- Insert the cleaning patch and use as intended.

### **4. General Usage Tips:**

- Use gentle, consistent pressure when cleaning to avoid damaging the rod or brushes.
- Clean and inspect all components after each use to ensure longevity and performance.
- Store all cleaning tools in a safe location when not in use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If applicable, separate components for recycling where possible.

## **Contact Information for Further Support**

For any inquiries related to safety or product issues, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your Dewey Small Brush Adaptor Parker Hale. Thank you for your attention to safety and proper usage.
