# Safety Instruction Guide for RCBS Headed Decapping Pins (5 Pack)

## Introduction

Thank you for choosing the RCBS Headed Decapping Pins. These pins are designed for safe and effective use in reloading applications. This guide provides essential safety instructions and usage guidelines to ensure the safe handling and operation of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Always use the decapping pins as intended. Ensure that they are compatible with your reloading equipment.
- **Enhanced Recalls:** In the event of a recall, follow the instructions provided by the manufacturer for safe returns or remedies.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements. Verify that the product meets EU safety standards.
- **Special Consumer Focus:** Keep all reloading tools, including decapping pins, out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the product packaging or manufacturer's website for EU-based contact information.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, such as safety glasses and gloves, when handling reloading tools.
- **Work Area:** Ensure your work area is welllit, clean, and free from distractions to prevent accidents.
- **Compatibility:** Only use the decapping pins with compatible expanderdecapping and decapping rods to avoid breakage or malfunction.
- **Inspection:** Regularly inspect the pins for any signs of wear or damage before use. Do not use damaged pins.
- **Handling:** Handle the pins with care to avoid injury. Do not apply excessive force during use.
- **Storage:** Store the pins in a safe place, away from moisture and extreme temperatures, to maintain their integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is turned off and unplugged before installation.
- Remove the existing decapping pin from your expanderdecapping or decapping rod.
- Insert the RCBS Headed Decapping Pin into the rod, ensuring it is securely fastened.
- Tighten the locking mechanism if applicable, to prevent the pin from loosening during use.

### 2. Usage:

- Set up your reloading press according to the manufacturer's instructions.
- Follow the reloading process, ensuring that the decapping pin is properly aligned with the case.
- Apply consistent pressure when decapping to avoid damaging the pin or the case.
- If the pin becomes stuck, stop the operation and carefully remove the pin without force.

## **Disposal Instructions**

- Dispose of any damaged or worn decapping pins in accordance with local waste disposal regulations.
- Do not throw pins into regular household waste. Instead, use a designated recycling program if available.
- Ensure that all materials are disposed of in a manner that prevents harm to the environment.

## **Contact Information for Further Support**

For further assistance or safety inquiries regarding the RCBS Headed Decapping Pins, please refer to the product packaging or the manufacturer's official website. They will provide the necessary contact details for support.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and effective reloading experience.
