# **Safety Instruction Guide for DECAPPING PINS FORSTER PRODUCTS, INC. LONG (1") SMALL FLASH HOLE DECAP PINS 5/PACK**

## **Introduction**

Thank you for choosing the Long PPC Decapping Pins from Forster Products, Inc. This product is designed to ensure efficient and effective decapping of small flash holes in reloading operations. To ensure your safety and the proper use of this product, please read and follow the safety instructions provided in this guide.

## **General Safety Guidelines**

- Always use the product in accordance with the manufacturer's recommendations.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the decapping pins for any signs of damage before use.
- Store the product in a safe and dry place to prevent deterioration.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Ensure that you are using the correct size decapping pins for your specific reloading needs.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the decapping pins.
- Avoid applying excessive force during the decapping process to prevent breakage.
- Handle the decapping pins with care to avoid injury from sharp edges.
- Do not use the decapping pins for any purpose other than intended.

## **Instructions for Installation and Usage**

### **1. Installation of Decapping Pins**

- Carefully remove the decapping pins from the packaging.
- Inspect the pins for any visible damage.
- Insert the decapping pin into the appropriate tool or reloading press as per the manufacturer's instructions.
- Ensure that the pin is securely fastened before usage.

### **2. Usage of Decapping Pins**

- Place the case with the small flash hole securely in the reloading press.
- Align the decapping pin with the flash hole.
- Apply gentle pressure to the handle of the reloading press to decap the case.
- Inspect the case and the decapping pin after use for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of any damaged or worn decapping pins in accordance with local regulations.
- Do not dispose of the product in general waste if it is deemed hazardous.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Long PPC Decapping Pins, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and efficient experience while using the Long PPC Decapping Pins from Forster Products, Inc. Thank you for your attention to these important guidelines.
