## Safety Instructions

### Introduction

Thank you for choosing the Forster Case Trimmer Pilot. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this manual carefully to understand the safety precautions and instructions for installation and usage.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the trimmer pilot.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Do not use the product if it appears damaged or malfunctioning.
- Report any unsafe conditions or productrelated accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Use the Case Trimmer Pilot only with compatible Forster "Original" trimmers.
- Ensure that the correct caliber (.17 cal) is used with item 749002532.
- Always follow the manufacturer's instructions when installing and using the product.
- Do not exceed the recommended limits for trimming operations as specified in the product specifications.
- Avoid wearing loose clothing or jewelry that may become entangled in the trimmer during operation.
- Do not operate the product in wet or damp conditions to prevent electrical hazards.

### Instructions for Installation and Usage

#### 1. Installation of the Trimmer Pilot

- Ensure that the trimmer is powered off and unplugged.
- Remove any existing pilot from the trimmer if necessary.
- Insert the Case Trimmer Pilot into the trimmer's designated slot until it is securely in place.
- Confirm that the pilot is properly aligned and locked in before proceeding.

#### 2. Usage of the Trimmer Pilot

- Prepare the cases to be trimmed by ensuring they are clean and free of debris.
- Adjust the trimmer settings according to the specific requirements of the caliber being used.
- Power on the trimmer and begin the trimming process, holding the case securely in place.
- Monitor the trimming operation closely to ensure safety and effectiveness.
- Once trimming is complete, power off the trimmer and remove the cases.

### Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Case Trimmer Pilot or safety inquiries, please refer to your local distributor or the manufacturer's customer support. Ensure that you have the product details available for a more efficient response.

Thank you for prioritizing safety while using the Forster Case Trimmer Pilot. Your adherence to these guidelines helps ensure a safe and effective experience.
