# CASE TRIMMER PILOT Safety Instructions

## Introduction

Thank you for choosing the Forster Case Trimmer Pilot. This manual provides essential safety guidelines and instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the trimmer pilot.

## General Safety Guidelines

- Always use the product in accordance with the instructions provided in this manual.
- Ensure that the workspace is clean, dry, and welllit to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. Do not use a damaged product.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the trimmer pilot.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that the trimmer pilot is compatible with your Forster "Original" trimmer before use.
- Do not exceed the recommended caliber specifications when using the trimmer pilot.
- Avoid wearing loose clothing or jewelry that could get caught in the equipment.
- Always secure the workpiece before trimming to prevent movement during operation.
- Keep hands and other body parts away from moving parts while the trimmer pilot is in use.
- Do not attempt to modify or repair the trimmer pilot yourself. Seek professional assistance if repairs are needed.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure you have the appropriate Forster trimmer model for the pilot you are using.

### 2. Installation:

- Attach the trimmer pilot to the Forster trimmer according to the manufacturer's instructions.
- Ensure that the pilot is securely fastened and properly aligned.

### 3. Usage:

- Position the case securely in the trimmer.
- Activate the trimmer according to the manufacturer's guidelines.
- Monitor the trimming process closely to ensure safety and effectiveness.
- Once trimming is complete, turn off the trimmer and remove the case.

## Disposal Instructions

- Dispose of the product in accordance with local regulations and guidelines.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.
- Ensure that any remaining components are safely handled and disposed of to prevent injury.

## Contact Information for Further Support

For any inquiries or concerns regarding the Forster Case Trimmer Pilot, please refer to the manufacturer's official website or customer service channels for assistance.

## Conclusion

By following these safety instructions, you can ensure a safer and more effective experience with the Forster Case Trimmer Pilot. Always prioritize safety and do not hesitate to seek help if needed. Thank you for your attention to these important guidelines.
