# **Safety Instruction Guide for AUTO PRIME SHELLHOLDERS LEE PRECISION LEE AUTO PRIME SHELLHOLDER #7**

## **Introduction**

Thank you for choosing the AUTO PRIME SHELLHOLDERS LEE PRECISION LEE AUTO PRIME SHELLHOLDER #7. This product is designed to assist in the priming of cartridges safely and effectively. Please read and understand the following safety instructions to ensure safe usage and compliance with EU regulations.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the shellholder for any signs of wear or damage before use.
- Follow all instructions provided in this guide to avoid potential hazards.
- In case of any malfunction or issues, cease use immediately and seek assistance.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, including eye protection, when using the shellholder.
- Do not exceed the recommended cartridge specifications.
- Ensure that the shellholder is securely attached to the priming tool before use.
- Avoid using the shellholder in wet or damp conditions to prevent slips and accidents.
- Do not attempt to modify or repair the shellholder; seek professional help if needed.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the priming tool is unplugged or not engaged.
- Select the appropriate shellholder size for the cartridge you are using (in this case, 30 Carbine).
- Align the shellholder with the priming tool and press firmly until it locks into place.
- Check that the shellholder is securely attached by gently tugging on it.

### **2. Usage:**

- Load the cartridge into the shellholder, ensuring it is seated properly.
- Follow the priming tool's instructions for operation.
- Always maintain a firm grip on the tool during operation.
- After use, remove the shellholder from the tool and clean it as necessary.

## **Disposal Instructions**

- Dispose of the shellholder in accordance with local waste disposal regulations.
- Do not dispose of the shellholder in regular household waste if it is damaged or broken.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the product or safety guidelines, please refer to the manufacturer's

contact details provided with the product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the AUTO PRIME SHELLHOLDERS LEE PRECISION LEE AUTO PRIME SHELLHOLDER #7. Always prioritize safety and compliance with EU regulations during use. Thank you for your attention to these important guidelines.
