AUTO PRIME SHELLHOLDERS LEE PRECISION

Safety Instruction Guide

Introduction

Thank you for purchasing the Lee Auto Prime Shellholder #11. This product is designed for use with Lee handheld priming tools and is manufactured to ensure maximum accuracy and safety. This safety instruction guide provides essential information to help you use this product safely and effectively while complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the product is suitable for the cartridges you intend to use: 44 Magnum and 45 Auto (ACP).
- Store the shellholder in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the shellholder for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper handling of shellholders can lead to accidents or injuries. Ensure that the priming tool is compatible with the shellholder to prevent malfunction.
- **Avoiding Hazards:** Always follow the manufacturer's instructions for the priming tool and shellholder usage. Do not modify the shellholder or use it for purposes other than intended. Keep the work area clean and free of distractions while using the product. Wear appropriate personal protective equipment, such as safety glasses, when handling ammunition components.
- **Age and Audience Specific Warnings:** This product is not intended for use by individuals under the age of 18. Ensure that inexperienced users are supervised by a knowledgeable adult when using the shellholder.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Lee handheld priming tool is clean and free of debris.
- Select the appropriate shellholder for the cartridge you are using (44 Magnum or 45 Auto).
- Insert the shellholder into the priming tool, ensuring it is securely locked in place.

2. Usage:

- Follow the specific instructions provided with your Lee priming tool for loading and priming cartridges.
- Always handle ammunition components with care and precision.
- After priming, inspect the cartridges for proper seating of the primers.

3. Post Usage Care:

- Clean the shellholder after use to prevent residue buildup.
- Store the shellholder in a designated, safe location.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not throw the shellholder in regular household waste. Instead, check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Lee Auto Prime Shellholder #11, please reach out to the manufacturer or authorized retailer. It is essential to have an EU-based contact for all safety inquiries.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the Lee Auto Prime Shellholder #11. Stay informed about safety updates and recalls through the EU's Safety Gate platform, and do not hesitate to report any unsafe products or incidents. Thank you for prioritizing safety in your reloading practices.
