

# PARKER HALE STYLE JAGS - DEWEY 270 CAL PARKER HALE JAG (12X28 FEMALE THREAD)

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

These jags are wrap style jags with a blunt nose. Jags grip patches tightly. Great for use with J-B or when applying solvent such as Sweet's. Parker Hale style jags are available with male or female threads. Male or Female threads match standard threads for the bore diameter selected. Female style mate with Dewey coated rods. Male style mate with Dewey stainless and other brands with standard cleaning rod threads.

# Safety Instruction Guide for PARKER HALE STYLE JAGS DEWEY 270 CAL

## Introduction

Thank you for choosing the PARKER HALE STYLE JAGS DEWEY 270 CAL. This product is designed for efficient cleaning of firearms and is compatible with various cleaning rods. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before cleaning.
- Use the product only for its intended purpose: cleaning firearm barrels.
- Keep out of reach of children and unauthorized users.
- Inspect the jags for any damage before use. Do not use damaged jags.
- Follow the manufacturer's instructions for the cleaning rod being used with this product.
- Be aware of the cleaning solvents being used. Always follow the safety guidelines of these products.

## Specific Safety Precautions for Use

- Ensure that the jag is securely attached to the cleaning rod before use.
- Do not force the jag into the barrel. If it does not fit, do not use excessive force.
- Wear appropriate safety gear, such as gloves and safety glasses, when using cleaning solvents.
- Avoid inhalation of cleaning solvents and ensure proper ventilation in the workspace.
- Dispose of used cleaning patches and solvents according to local regulations.

## Instructions for Installation and Usage

### 1. Installation of the Jag:

- Select the appropriate jag for your cleaning rod (male or female thread).
- Screw the jag onto the cleaning rod until it is securely fastened.
- Ensure that the connection is tight to prevent detachment during use.

### 2. Using the Jag:

- Insert the jag into the barrel of the firearm gently.
- Use a cleaning patch that fits the jag snugly.
- Apply the cleaning solvent to the patch if necessary.
- Push the jag through the barrel using a smooth, steady motion.
- Pull the jag back out of the barrel and remove the patch.
- Repeat the process as needed until the barrel is clean.

### 3. PostUse Care:

- Clean the jag with a suitable solvent to remove any residue.
- Store the jag in a dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of used cleaning patches and any leftover cleaning solvents in accordance with local hazardous waste regulations.
- Do not dispose of the jag in regular household waste. Follow local guidelines for the disposal of metal.

products.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the PARKER HALE STYLE JAGS DEWEY 270 CAL, please refer to the documentation provided with the product for contact details of the manufacturer or authorized distributor in your area.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective cleaning experience with the PARKER HALE STYLE JAGS DEWEY 270 CAL. Always prioritize safety and proper usage to maintain your firearm and ensure your wellbeing.
