## Safety Instruction Guide

### Introduction

Thank you for choosing the Forster Case Trimmer Pilot. This guide provides essential safety information and instructions for the safe use of the product. Please read it carefully to ensure proper handling and to avoid potential hazards.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the trimmer pilot.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not modify or alter the product in any way, as this may compromise safety.
- Store the product in a dry, secure place when not in use.

### Specific Safety Precautions for Use

- Use only the specified caliber (.224) trimmer pilot with compatible Forster "Original" trimmers.
- Always ensure that the trimmer is securely mounted and stable before operation.
- Avoid direct contact with moving parts during operation to prevent injury.
- Be cautious of sharp edges and points on the product; handle with care.
- Do not exceed the manufacturer's recommended operating speeds.
- If you experience any difficulties or unusual sounds during operation, stop immediately and inspect the product.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure you have the correct Forster trimmer model for the .224 caliber pilot.
- Remove any existing pilot from the trimmer if applicable.
- Insert the .224 trimmer pilot into the trimmer's collet and tighten securely.
- Verify that the pilot is properly seated and stable before proceeding.

#### 2. Usage:

- Place the case to be trimmed securely in the trimmer.
- Adjust the trimmer to the desired trim length according to the specifications.
- Start the trimmer and allow it to reach full speed before feeding the case.
- Feed the case gently into the pilot, ensuring it is aligned properly.
- Once the trimming is complete, remove the case and inspect it for any imperfections.

### Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and mechanical waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, ensure it is properly recycled or disposed of at a designated facility.

## **Contact Information for Further Support**

For any inquiries related to safety or product concerns, please refer to the manufacturer's website or contact their support team directly.

Please ensure you keep this safety instruction guide for future reference. By following these guidelines, you can help ensure a safe and effective experience with your Forster Case Trimmer Pilot.
