# CASE TRIMMER PILOT 0.308" TRIMMER PILOT

## Safety Instructions

### Introduction

Thank you for choosing the Forster Case Trimmer Pilot for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this manual thoroughly before using the Case Trimmer Pilot.

### General Safety Guidelines

- Always follow the safety instructions provided in this guide.
- Use the Case Trimmer Pilot only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Case Trimmer Pilot regularly for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the Case Trimmer Pilot.
- Ensure that the work area is clean and free from clutter to prevent accidents.
- Do not use the Case Trimmer Pilot if you are tired or under the influence of substances that may impair your judgment.
- Always secure the case being trimmed properly to avoid slippage during operation.
- Avoid wearing loose clothing or jewelry that may get caught in moving parts of the trimmer.
- Keep hands and other body parts away from the cutting area while the tool is in use.
- If the trimmer pilot becomes jammed or stuck, turn off the machine and disconnect it from the power source before attempting to clear the jam.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure you have the correct Forster Case Trimmer and the appropriate pilot for your caliber (.308).
- Gather all necessary tools and materials before starting.

#### 2. Installation:

- Follow the manufacturer's instructions for installing the Case Trimmer Pilot onto your trimmer.
- Ensure that the pilot is securely attached and that all components are in good condition.

#### 3. Usage:

- Place the case in the trimmer, ensuring it is properly aligned.
- Activate the trimmer according to the manufacturer's instructions.
- Monitor the trimming process closely, ensuring that the case remains secure.
- After trimming, carefully remove the case from the trimmer.

#### 4. Cleaning and Maintenance:

- Regularly clean the Case Trimmer Pilot and surrounding area to prevent buildup of debris.

- Inspect the pilot for wear and replace it if necessary.

## **Disposal Instructions**

- Dispose of the Case Trimmer Pilot and any damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area for metal and plastic components.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Case Trimmer Pilot, please refer to the manufacturer's website or customer support resources. It is important to have access to assistance if needed.

By following these safety instructions, you can ensure a safe and effective experience with your Forster Case Trimmer Pilot. Thank you for prioritizing safety in your reloading activities.
