

RIFLE AMMO BOXES - SLIP TOP RIFLE AMMO BOX 416 BARRETT - 50 BMG 10 ROUND BLACK

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

Designed at the request of the growing number of 50 BMG users. They told us they only needed 10 rounds and they preferred a slip top design. We added bullet tip protection for most bullets seated at standard lengths. This is done by holding the rounds at the shoulder.

Safety Instruction Guide for RIFLE AMMO BOXES SLIP TOP RIFLE AMMO BOX 416 BARRETT 50 BMG 10 ROUND BLACK

Introduction

Thank you for choosing the RIFLE AMMO BOXES SLIP TOP RIFLE AMMO BOX 416 BARRETT 50 BMG 10 ROUND BLACK. This product has been designed with the needs of 50 BMG users in mind, offering a slip top design and bullet tip protection for safe storage and transport of your ammunition. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to store and transport 50 BMG and 416 Barrett ammunition.
- Always keep the ammo box out of reach of children and unauthorized users.
- Regularly inspect the ammo box for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the storage and transportation of ammunition.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- When handling ammunition, always treat it as if it is live and capable of firing.
- Wear appropriate safety gear, such as shooting glasses and hearing protection, when using firearms.
- Ensure that the ammo box is closed securely when not in use to prevent accidental opening.
- Do not overload the ammo box beyond its capacity of 10 rounds.
- Avoid exposing the ammo box to extreme temperatures, moisture, or direct sunlight, as this may affect the integrity of the ammunition.

Instructions for Installation and Usage

1. Loading the Ammo Box:

- Open the slip top of the ammo box.
- Carefully place up to 10 rounds of 50 BMG or 416 Barrett ammunition into the box, ensuring that the bullet tips are protected and seated correctly.
- Close the slip top securely after loading.

2. Transporting the Ammo Box:

- Always carry the ammo box in a secure manner to prevent accidental opening.
- Ensure that the box is stored in a safe location in your vehicle, away from the driver and passengers.

3. Storing the Ammo Box:

- Store the ammo box in a cool, dry place, away from children and unauthorized users.
- Consider using a locked cabinet or safe for additional security.

Disposal Instructions

- Dispose of the ammo box responsibly. If it is damaged or no longer needed, check local regulations for proper disposal methods.
- Do not incinerate or dispose of the ammo box in regular household waste. Follow local recycling guidelines where applicable.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the contact details provided by the manufacturer or retailer from whom you purchased the product. Always ensure that you have the necessary contact information readily available.

By following these safety instructions, you can ensure a safe and responsible experience with your RIFLE AMMO BOXES SLIP TOP RIFLE AMMO BOX 416 BARRETT 50 BMG 10 ROUND BLACK. Thank you for your attention to these important safety guidelines.
