Safety Instruction Guide for DEWEY AR15 Chamber Swabs

Introduction

Thank you for choosing the DEWEY AR15 Chamber Swabs. This product is designed specifically for cleaning chambers and lug recess areas on AR15's, 223 Rem, and AR10's. To ensure safe and effective use, please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the chamber swab.
- Avoid using the swab near open flames or high heat sources.
- Do not ingest any part of the chamber swab.
- Use the swab in a wellventilated area to avoid inhalation of any potentially harmful substances.
- If the swab becomes damaged or frayed, discontinue use immediately.
- Do not use the swab on hot or excessively dirty chambers to prevent burns or damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the DEWEY AR15 Chamber Swab.

2. Cleaning Process:

- Insert the chamber swab into the chamber of the firearm.
- Gently rotate the swab to clean the chamber and lug recess areas.
- Remove the swab and inspect it for dirt or debris.
- If necessary, repeat the cleaning process until the chamber is clean.

3. PostCleaning:

- After use, clean the swab with warm soapy water and allow it to dry completely.
- Store the swab in a dry, cool place away from direct sunlight.

Disposal Instructions

- Dispose of the chamber swab responsibly if it is damaged beyond use.
- Follow local regulations for the disposal of cleaning products and materials.
- Do not incinerate the swab, as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the DEWEY AR15 Chamber Swabs, please contact the manufacturer's EUbased support team.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your DEWEY AR15 Chamber Swabs. Thank you for your attention to safety!
