# Safety Instruction Guide for PRESS TYPE SHELLHOLDERS #43

## Introduction

Thank you for choosing the Hornady PRESS TYPE SHELLHOLDERS #43. This product is designed to provide reliable performance and safety during your reloading process. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the shell holder for any signs of damage or wear before each use.
- Keep the shell holder out of reach of children and vulnerable individuals.
- Do not use the shell holder for any purpose other than its intended use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Avoid using the shell holder if it shows signs of damage, such as cracks or deformation.
- Ensure that the shell holder is properly secured in the reloading press before use.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when reloading.
- Do not exceed the recommended specifications for the shell holder and reloading press.
- Keep your work area clean and organized to prevent accidents.
- Always follow the reloading press manufacturer's guidelines when using the shell holder.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Locate the shell holder slot on your reloading press.
- Insert the PRESS TYPE SHELLHOLDER #43 into the shell holder slot until it is securely in place.
- Verify that the shell holder is properly seated and does not move when pulled.

### 2. Usage:

- Load the cartridge case into the shell holder, ensuring it fits snugly.
- Follow the reloading press instructions for operating the press with the shell holder.
- After completing the reloading process, carefully remove the cartridge case from the shell holder.
- Clean the shell holder regularly to maintain optimal performance.

## Disposal Instructions

- Dispose of any damaged or worn shell holders in accordance with local regulations.
- Do not throw the shell holder in regular household waste.
- Consider recycling the shell holder if possible, as it is made from solid steel.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or customer

service resources.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
