Safety Instructions for RCBS Case Trimmer Pilot 25 Cal

Introduction

Thank you for choosing the RCBS Case Trimmer Pilot for 25 Cal. This product is designed to ensure precision and safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always read and follow all instructions provided with the product.
- Ensure that the workspace is clean and free from clutter before starting any trimming operation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Use appropriate personal protective equipment (PPE), such as safety goggles and gloves, when operating the trimmer.
- Be aware of your surroundings and ensure that no one is in close proximity while using the product.

Specific Safety Precautions for Use

- Ensure that the pilot is properly aligned with the case mouth before trimming.
- Do not attempt to trim cases that are damaged or deformed.
- Always use the correct collet size for the specific case being trimmed.
- Avoid wearing loose clothing or jewelry that could get caught in moving parts.
- Do not exceed the recommended trimming capacity of the trimmer.
- If you experience any problems during use, stop immediately and consult the troubleshooting section of the manual.

Instructions for Installation and Usage

1. Installation of the Pilot:

- Ensure the trimmer is securely mounted to a stable surface.
- Insert the pilot into the trimmer and tighten it securely.
- Confirm that the pilot is properly aligned and free from obstructions.

2. Preparing Cases for Trimming:

- Inspect each case for cleanliness and integrity.
- Remove any debris or foreign materials from the case mouth.

3. Trimming Process:

- Place the case in the trimmer, ensuring it is held firmly in place.
- Slowly engage the trimming mechanism, allowing the pilot to guide itself into the case mouth.
- Monitor the trimming process closely, ensuring no excessive force is applied.
- Once trimming is complete, carefully remove the case from the trimmer.

4. PostUse Care:

- Clean the trimmer and pilot after each use to prevent buildup of debris.
- Store the product in a dry, safe location away from children and pets.

Disposal Instructions

- Dispose of any damaged or worn parts in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in household waste. Check local regulations for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the manufacturer's contact details provided in the product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and effective experience with the RCBS Case Trimmer Pilot 25 Cal. Always prioritize safety and consult the safety guidelines whenever necessary. Thank you for your attention to these important safety practices.
