# Safety Instruction Guide for RCBS Case Trimmer Pilot 8mm Cal

## Introduction

Thank you for choosing the RCBS Case Trimmer Pilot 8mm Cal. This product is designed to assist you in trimming cases efficiently and safely. To ensure your safety and the proper use of this product, please read this guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product for any damage before use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when operating the trimmer.
- Be aware of your surroundings and ensure that the work area is clean and free from obstructions.
- Follow all local regulations regarding the handling and disposal of materials used with this product.

## Specific Safety Precautions for Use

- Do not attempt to modify the product or use it in any way that is not specified in this manual.
- Ensure that the pilot is properly aligned with the case mouth before trimming.
- Always secure the case in place to prevent movement during trimming.
- Avoid placing your fingers near the cutting area while the trimmer is in use.
- If you experience any unusual noise or resistance while using the product, stop immediately and inspect for any issues.
- Store the product in a dry and secure location when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary components: RCBS Case Trimmer Pilot 8mm Cal, rotary case trimmer collets, and any additional tools required.
- Ensure that you have a clean and welllit workspace.

### 2. Installation:

- Attach the pilot to the rotary case trimmer according to the manufacturer's instructions.
- Ensure that the pilot is securely fastened and properly aligned.

### 3. Usage:

- Place the case into the trimmer, ensuring it is held firmly in place.
- Slowly and steadily guide the pilot into the case mouth, allowing the trimmer to do the work.
- Monitor the trimming process to ensure that the case is being trimmed evenly.
- Once the trimming is complete, carefully remove the case and inspect the cut for any irregularities.

### 4. PostUsage:

- Clean the trimmer and pilot after each use to maintain optimal performance.

- Store the product in a safe place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any waste materials generated during the trimming process in accordance with local regulations.
- If the product is no longer usable, follow local guidelines for disposing of tools and equipment safely.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the RCBS Case Trimmer Pilot 8mm Cal, please refer to the manufacturer's website or contact their customer service for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your RCBS Case Trimmer Pilot 8mm Cal. Always prioritize safety and adhere to the guidelines provided in this manual. Thank you for your attention to these important safety measures.
