# CASE TRIMMER PILOT RCBS CASE TRIMMER PILOT 40 CAL Safety Instruction Guide

## Introduction

Thank you for purchasing the CASE TRIMMER PILOT RCBS CASE TRIMMER PILOT 40 CAL. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the trimmer.

## General Safety Guidelines

To ensure your safety and the safe use of this product, please adhere to the following guidelines:

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for damage before each use. Do not use if damaged.
- Ensure that your workspace is clean and welllit to avoid accidents.
- Avoid wearing loose clothing or jewelry that may get caught in the equipment.
- Be cautious of sharp edges and moving parts when operating the trimmer.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, during operation.

## Specific Safety Precautions for Use

When using the CASE TRIMMER PILOT, please follow these specific safety precautions:

- Ensure that the trimmer pilot is compatible with the caliber you are using (40/10 mm or .400.401).
- Always securely attach the pilot to the trimmer before starting any trimming operations.
- Do not attempt to trim cases that are excessively damaged or deformed.
- Maintain a firm grip on the trimmer and pilot during operation to prevent slipping.
- Never place your hands near the cutting area while the trimmer is in use.
- Disconnect the power source (if applicable) before performing maintenance or adjustments.
- Follow all instructions for the use of rotary case trimmer collets and other compatible tools.

## Instructions for Installation and Usage

To properly install and use the CASE TRIMMER PILOT, follow these steps:

### 1. Installation:

- Ensure the trimmer is on a stable surface.
- Select the appropriate pilot for your case size (40 cal).
- Align the pilot with the case mouth and gently insert it into the case.
- Secure the pilot according to the manufacturer's instructions.

### 2. Usage:

- Turn on the trimmer (if powered) and allow it to reach the correct speed.
- Slowly and steadily guide the case into the trimmer, ensuring it is properly seated.
- Monitor the trimming process to ensure even cutting and avoid overtrimming.
- Once the trimming is complete, turn off the trimmer and remove the case.
- Inspect the trimmed case for uniformity and discard any cases that do not meet specifications.

## **Disposal Instructions**

At the end of the product's life cycle, please dispose of it responsibly:

- Do not discard in regular household waste.
- Follow local regulations for the disposal of electrical components and metal parts.
- Consider recycling options for metal and plastic components where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the CASE TRIMMER PILOT, please consult the manufacturer's customer service or product support resources.

By following these guidelines, you can ensure a safe and effective experience with your CASE TRIMMER PILOT RCBS CASE TRIMMER PILOT 40 CAL. Always prioritize safety and proper usage to protect yourself and others.
