LOCKNLOAD MODIFIED CASES 3030 WINCHESTER

MODIFIED CASE Safety Instructions

Introduction

Thank you for choosing the Hornady LockNLoad Modified Cases for your reloading needs. This guide provides important safety instructions and usage information to ensure a safe and effective experience. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the Hornady LockNLoad Gauge and its components before use.
- Always use modified cases that are compatible with your specific chamber type to prevent malfunction or damage.
- Keep the modified cases out of reach of children and vulnerable individuals.
- Regularly inspect your modified cases for signs of wear, damage, or deformation before each use.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about any recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Modified cases are not suitable for tight neck chambers. Ensure compatibility before use.
- Avoid using modified cases that show signs of damage or wear.
- Do not modify the cases beyond their intended use as specified in the instructions.
- Always wear appropriate safety gear, such as safety glasses, when handling reloading equipment.
- Follow all local laws and regulations regarding ammunition and reloading practices.
- Keep your workspace clean and organized to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the Hornady LockNLoad Gauge and the modified cases.
- Ensure your workspace is welllit and free from distractions.

2. Using the Modified Cases:

- Insert the modified case into the LockNLoad Gauge according to the manufacturer's instructions.
- Ensure that the gauge is securely locked in place before proceeding.
- Follow the specific instructions for measuring bullet seating depth as outlined in the gauge manual.

3. PostUse Care:

- After use, carefully remove the modified case from the gauge.
- Clean the modified case to remove any debris or residue.
- Store the modified cases in a dry and secure location, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn modified cases in accordance with local regulations.
- Do not throw modified cases in regular household waste; check for designated disposal sites for hazardous materials if applicable.

- Ensure that all disposed items are out of reach of children and pets.

Contact Information for Further Support

For further information, safety inquiries, or assistance, please refer to the contact details provided by the manufacturer. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities as you enjoy the benefits of the Hornady LockNLoad Modified Cases.
