# CASE TRIMMER PILOT RCBS CASE TRIMMER PILOT 6MM Safety Instructions

## Introduction

Thank you for choosing the RCBS Case Trimmer Pilot 6mm. This product is designed to assist in the trimming of cases with precision and safety. Please read this safety instruction guide carefully to ensure safe and effective use of the trimmer pilot.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Ensure that your workspace is clean and free from distractions.
- Use the product only for its intended purpose as described in this manual.
- Store the product in a dry, secure place when not in use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from debris.
- Avoid wearing loose clothing or jewelry that may become entangled in the trimmer.
- Ensure that the case trimmer is securely mounted and stable before use.
- Do not attempt to modify or alter the product in any way.
- Do not exceed the recommended trimming capacity of the pilot.
- Always operate the trimmer pilot with both hands for better control.
- Ensure that the work area is welllit to avoid accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before beginning.
- Ensure you have the compatible Rotary Case Trimmer Collets or Trim Pro Manual Case Trimmer.

### 2. Installation:

- Securely attach the trimmer pilot to the case trimmer according to the manufacturer's instructions.
- Verify that the pilot is properly aligned and tightened to prevent it from loosening during use.

### 3. Usage:

- Insert the case into the case mouth, ensuring it fits snugly against the pilot.
- Rotate the trimmer handle to begin the trimming process, applying gentle pressure.
- Monitor the trimming process closely to avoid overtrimming or damaging the case.
- Once trimming is complete, remove the case and inspect it for uniformity.

### 4. PostUsage:

- Clean the trimmer pilot and surrounding area to remove any debris.

- Store the trimmer pilot in a safe location, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and nonfood product waste.
- Do not dispose of the product in regular household waste.
- Check with local authorities for designated disposal or recycling facilities.

## **Contact Information for Further Support**

For any questions or concerns regarding the RCBS Case Trimmer Pilot 6mm, please refer to the manufacturer's website or contact customer support for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
