# CASE TRIMMER PILOT 7MM Safety Instruction Guide

## Introduction

Thank you for choosing the CASE TRIMMER PILOT 7MM. This guide provides important safety instructions and information to ensure the safe and effective use of this product. Please read this manual carefully before using the trimmer.

## General Safety Guidelines

- Ensure that all safety guidelines are followed to prevent accidents and injuries.
- Always use the product in a welllit and dry area to avoid slips and falls.
- Keep the product out of reach of children and unauthorized users.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when operating the trimmer.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Be aware of your surroundings and ensure that no bystanders are in the vicinity while operating the trimmer.
- Follow all local regulations regarding the use and disposal of tools and materials.

## Specific Safety Precautions for Use

- Do not exceed the recommended caliber specifications for the trimmer.
- Ensure the trimmer is securely mounted before use to prevent movement during operation.
- Avoid loose clothing and jewelry that may become caught in the trimmer.
- Keep hands and other body parts clear of the cutting area while the trimmer is in operation.
- Do not attempt to modify or alter the trimmer in any way.
- If the trimmer becomes jammed, turn off the power and disconnect it before attempting to clear the jam.
- Always unplug the trimmer when not in use or before performing maintenance.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a stable work surface that can support the trimmer securely.
- Attach the trimmer according to the manufacturer's instructions, ensuring all components are tightened and secure.
- Verify that the trimmer is level and stable before use.

### 2. Usage:

- Select the appropriate collet for the caliber being trimmed.
- Insert the pilot into the case mouth, ensuring it is properly aligned.
- Begin trimming by activating the trimmer, following all operational guidelines.
- Monitor the trimming process closely, ensuring no obstructions are present.
- Once trimming is complete, turn off the trimmer and remove the case carefully.

## Disposal Instructions

- Dispose of packaging materials in accordance with local recycling regulations.
- If the trimmer reaches the end of its life, dispose of it responsibly, following local electronic waste disposal guidelines.

- Do not dispose of the trimmer in regular household waste.

## **Contact Information for Further Support**

For any inquiries or safety concerns regarding the CASE TRIMMER PILOT 7MM, please contact the manufacturer or an authorized dealer. Ensure that you have the product details available for reference.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your CASE TRIMMER PILOT 7MM.
