# CASE TRIMMER PILOT RCBS CASE TRIMMER PILOT 30 CAL Safety Instructions

## Introduction

Thank you for purchasing the RCBS Case Trimmer Pilot 30 Cal. This product is designed to help you achieve precise trimming of your cases. To ensure your safety and the safety of others while using this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the trimmer out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Use the product in a wellventilated area to avoid inhalation of any dust or debris.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the trimmer.
- Do not use the trimmer for any purpose other than its intended use.
- Be aware of your surroundings and ensure that no one is in close proximity while operating the trimmer.

## Specific Safety Precautions for Use

- Ensure that the pilot is correctly aligned with the case mouth before trimming.
- Do not apply excessive force when guiding the pilot into the case mouth to prevent breakage or injury.
- Keep hands and fingers clear of the cutting area at all times during operation.
- If the trimmer becomes jammed, turn off the power (if applicable) and disconnect it before attempting to clear the jam.
- Store the trimmer and any accessories in a safe and dry place when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting. Ensure you have the appropriate collets and trimmers.
- Read the instruction manual for any specific setup requirements.

### 2. Installation:

- Securely attach the rotary case trimmer or the Trim Pro Manual Case Trimmer to a stable work surface.
- Insert the correct collet for the 30 Caliber (.308) case into the trimmer according to the manufacturer's instructions.

### 3. Usage:

- Place the case into the collet and ensure it is held firmly in place.
- Slowly and gently guide the pilot into the case mouth, ensuring proper alignment.
- Begin trimming according to the desired length, applying even pressure.
- After trimming, remove the case from the collet and inspect for any burrs or sharp edges.

### 4. PostUse:

- Clean the trimmer and pilot after each use to remove any debris or residue.
- Store all components in a safe location, ensuring they are dry and free from moisture.

## Disposal Instructions

- Dispose of any damaged or worn parts in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, check with local authorities for proper disposal methods for tools and electronic components.

## Contact Information for Further Support

For any inquiries regarding the safety and usage of the RCBS Case Trimmer Pilot 30 Cal, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience while using the RCBS Case Trimmer Pilot 30 Cal. Always prioritize safety and do not hesitate to seek assistance if you have any questions or concerns regarding the product. Thank you for your commitment to safety.
