LOCKNLOAD MODIFIED CASES 2506 REMINGTON MODIFIED CASE Safety Instructions

Introduction

Thank you for choosing the LOCKNLOAD MODIFIED CASES 2506 REMINGTON MODIFIED CASE. This product is designed to enhance your reloading experience with the Hornady LockNLoad Gauge. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines.
- Ensure that the product is used only for its intended purpose.
- Maintain a clean and organized workspace when using this product.
- Keep all tools and equipment out of reach of children and vulnerable individuals.
- Regularly inspect the modified cases for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Modified cases are not compatible with tight neck chambers. Ensure that your chamber is suitable for use with these cases to prevent damage or injury.
- Handle modified cases with care to avoid injury. Sharp edges or points may be present.
- Wear appropriate safety gear, including safety glasses and gloves, when handling and using modified cases.
- Do not attempt to modify or alter the cases in any way.
- Store modified cases in a cool, dry place away from direct sunlight and moisture.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the Hornady LockNLoad Gauge and the modified case for the 2506 Remington ready for use.
- Check that your workspace is clean and free of clutter.

2. Installation:

- Insert the modified case into the Hornady LockNLoad Gauge according to the manufacturer's instructions.
- Ensure the case is securely positioned before proceeding to the next step.

3. Usage:

- Follow the specific instructions provided with the Hornady LockNLoad Gauge for measuring and adjusting bullet seating depth.
- Do not exceed the recommended limits for the modified case usage.
- After use, remove the modified case carefully from the gauge.

4. PostUse Care:

- Clean the modified case and the gauge after each use to maintain their condition.

- Inspect the modified case for any signs of damage or wear before storing.

Disposal Instructions

- Dispose of any damaged or unusable modified cases in accordance with local regulations.
- Do not dispose of modified cases in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the LOCKNLOAD MODIFIED CASES 2506 REMINGTON MODIFIED CASE, please refer to the manufacturer's website or product manual for further assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
