

# AR-15 Action brush - SINCLAIR INTERNATIONAL AR-15 ACTION BRUSH

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Gun Cleaning Brushes](#)

The action and carrier key passage on AR rifles are areas which need frequent attention to maintain top accuracy. Our AR-15 Action Brush does an excellent job of cleaning the powder/carbon blowback from inside the receiver body. The carrier key passage needs to be cleaned out with a stiff stainless brush to maintain proper functioning of the rifle. Both of these brushes are sized correctly for their specific purposes. All AR cleaning kits should include both brushes.

## Attributes

- Name: [SINCLAIR INTERNATIONAL AR-15 ACTION BRUSH](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000639
- Mfr. No.: 03716347

# AR15 Action Brush Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Action Brush by Sinclair International. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this guide carefully before using the brush.

## General Safety Guidelines

- Ensure that you are familiar with the operation and maintenance of AR rifles before using the AR15 Action Brush.
- Always handle firearms in a safe manner, treating every gun as if it is loaded.
- Keep the brush out of reach of children and unauthorized persons.
- Inspect the brush for any damage before use. Do not use if damaged.
- Store the brush in a dry place to prevent rust and deterioration.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Use the AR15 Action Brush only for its intended purpose: cleaning the action and carrier key passage of AR rifles.
- Wear safety glasses to protect your eyes from debris when cleaning.
- Use the brush with caution to avoid damaging the internal components of the rifle.
- Do not apply excessive force while using the brush to prevent injury or damage.
- Avoid using the brush on any other type of firearm or nonfirearm objects.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove any ammunition from the area where you will be cleaning.

### 2. Cleaning Process:

- Insert the stiff stainless brush into the action and carrier key passage.
- Gently scrub the area to remove powder and carbon buildup.
- Use a backandforth motion to ensure thorough cleaning.
- After cleaning, inspect the area to ensure all debris has been removed.

### 3. PostCleaning:

- Wipe down the brush after use to remove any residue.
- Store the brush in a safe and dry location.

## Disposal Instructions

- Dispose of the AR15 Action Brush in accordance with local regulations.
- If the brush is damaged beyond use, consider recycling it if possible.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the AR15 Action Brush, please reach out to the appropriate contact point in your region.

Thank you for your attention to these safety instructions. We appreciate your commitment to safe firearm maintenance.
