Safety Instruction Guide for IMPERIAL DRY NECK LUBE 1 OZ.

Introduction

Thank you for choosing the IMPERIAL DRY NECK LUBE 1 OZ. This product is designed to enhance the reloading process by reducing chatter and drag on case necks during sizing. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the product is used in a wellventilated area to prevent inhalation of dust.
- Keep the product out of reach of children and pets.
- Do not ingest the product. It is not intended for consumption.
- Store the product in a cool, dry place away from direct sunlight.
- Regularly check for any updates on product recalls or safety alerts via the EU Safety Gate platform.

Specific Safety Precautions for Use

- When applying the lube, avoid direct contact with skin. Use gloves if necessary.
- Do not use the product near open flames or sources of ignition.
- Ensure that the area is free from food and beverages while using the product.
- If you experience any irritation or allergic reaction, discontinue use and seek medical advice immediately.
- Ensure that the lube is completely removed from the case neck before loading ammunition.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the workspace is clean and free of contaminants.
- Gather all necessary materials, including the IMPERIAL DRY NECK LUBE, a clean applicator, and the cases to be sized.

2. Application:

- Shake the container lightly to ensure even distribution of the powdered lube.
- Using the applicator, apply a small amount of the lube to the inside of the case neck. A little goes a long way.
- Rotate the case neck gently to ensure complete coverage.

3. Sizing Process:

- Insert the lubed case into the sizing die as per your reloading equipment's instructions.
- Follow the manufacturer's guidelines for your specific reloading press.

4. PostUsage:

- After sizing, there is no need to remove the lube from the case neck, as it will not contaminate the loading powder.
- Store any unused lube in its original container, tightly sealed.

Disposal Instructions

- Dispose of any unused or expired product in accordance with local regulations.
- Do not pour the product down the drain or dispose of it in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance, please consult the product packaging or your retailer for contact details of the manufacturer or authorized distributor.

By following these safety instructions, you can ensure a safe and effective reloading process with the IMPERIAL DRY NECK LUBE 1 OZ. Thank you for prioritizing safety and compliance with EU regulations.
