

# AR-15 Carrier key brush - SINCLAIR INTERNATIONAL AR-15 CARRIER KEY BRUSH

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Gun Cleaning Brushes](#)

The action and carrier key passage on AR rifles are areas which need frequent attention to maintain top accuracy. Our AR-15 Action Brush does an excellent job of cleaning the powder and carbon blowback from inside the receiver body. The carrier key passage needs to be cleaned out with a stiff stainless brush to maintain proper functioning of the rifle. Both of these brushes are sized correctly for their specific purposes. All AR cleaning kits should include both brushes.

## Attributes

- Name: [SINCLAIR INTERNATIONAL AR-15 CARRIER KEY BRUSH](#)

# AR15 Carrier Key Brush Safety Instructions

## Introduction

Thank you for choosing the AR15 Carrier Key Brush from Sinclair International. This product is designed to help maintain the performance and accuracy of your AR rifle by effectively cleaning the action and carrier key passage. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your AR rifle before using this product.
- Always keep the AR15 Carrier Key Brush out of reach of children.
- Inspect the brush before each use for any signs of damage or wear. Do not use if damaged.
- Use the brush only for its intended purpose as described in this guide.
- Store the brush in a safe and dry place when not in use.

## Specific Safety Precautions for Use

- Wear safety goggles to protect your eyes from any debris that may be dislodged during cleaning.
- Avoid using excessive force when cleaning to prevent damage to the rifle components.
- Do not use the brush on hot surfaces or immediately after firing the rifle.
- Keep your workspace clear of clutter to avoid accidents while cleaning.
- If you experience any allergic reactions or skin irritation while using the brush, discontinue use immediately and consult a physician.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Allow the rifle to cool down if it has been recently fired.

### 2. Using the AR15 Carrier Key Brush:

- Grasp the handle of the brush firmly.
- Insert the brush into the carrier key passage.
- Move the brush back and forth gently to dislodge carbon and powder residue.
- Remove the brush and inspect the area for cleanliness.
- Repeat the process if necessary until the area is clean.

### 3. PostCleaning:

- After cleaning, inspect the brush for any wear or damage.
- Clean the brush with a suitable solvent and allow it to dry before storage.
- Store the brush in a dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the AR15 Carrier Key Brush in accordance with local regulations.
- Do not dispose of the brush in regular household waste if it is damaged or worn. Instead, follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the AR15 Carrier Key Brush, please reach out to your local retailer or refer to the manufacturer's contact information provided at the point of sale.

Thank you for your attention to these safety instructions. Enjoy safe and effective cleaning of your AR rifle!
