

SHOOT-N-C TARGETS - BIRCHWOOD CASEY B/C SHOOT NC 2 ROUND - 108 PIECES

[Shooting Accessories](#) > [Targets & Accessories](#) > [Paper Targets](#)

These revolutionary self-adhesive targets explode in color upon impact to provide instant feedback on where your shot hits. This high visibility impact indicator is great for shooters using open sights or low powered scopes. We use them at 300 yards during practice, as smaller caliber bullet holes are sometimes hard to see even through the spotting scope. With these targets, even .22 caliber holes are sharp and easy to see. Upon bullet impact a bright yellow ring forms around the bullet hole, providing excellent visibility. Each target can be pasted over and re-used at least two or three times. All Shoot-N-C targets provide a log of shooting at a great value. Great for any type of practice or just for fun. Excellent for informal competition between friends as each shot shows up clearly.

Attributes

- Name: [BIRCHWOOD CASEY B/C SHOOT NC 2 ROUND - 108 PIECES](#)
- Manufacturer: [BIRCHWOOD CASEY](#)
- Product no.: 749000693
- Mfr. No.: BC-34210

SHOOTNC TARGETS BIRCHWOOD CASEY B/C

SHOOT NC 2 ROUND 108 PIECES Safety

Instruction Guide

Introduction

Thank you for choosing SHOOTNC Targets by Birchwood Casey. These selfadhesive targets are designed to provide instant feedback on your shooting accuracy. This guide contains important safety instructions and guidelines to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure you are in a designated shooting area that complies with local laws and regulations.
- Use appropriate eye and ear protection when shooting.
- Keep the targets out of reach of children and vulnerable individuals.
- Regularly check for product recalls or safety alerts via the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the shooting area is clear of people and obstructions.
- Do not use targets in areas where ricochets could occur.
- Avoid shooting at targets that are damaged or have been previously shot at excessively.
- Do not consume food or drink while handling or shooting at targets.
- Dispose of any damaged targets safely to avoid cuts or injuries from sharp edges.

Instructions for Installation and Usage

1. Selecting a Location:

- Choose a flat, stable surface for target placement.
- Ensure that the area is safe and secured for shooting.

2. Installing the Targets:

- Peel the backing off the selfadhesive target.
- Firmly press the target onto a clean, dry surface.
- Ensure that the target is securely attached before shooting.

3. Using the Targets:

- Position yourself at a safe distance from the target, based on your shooting capabilities.
- Use appropriate firearms and ammunition suitable for the target size.
- Aim carefully and take your shot. Upon impact, observe the bright yellow ring that forms around the bullet hole for instant feedback.

4. Reusing the Targets:

- Each target can be pasted over and reused at least two or three times.
- Ensure that the previous bullet holes do not interfere with the visibility of new shots.

5. **PostShooting:**

- After shooting, carefully collect any remaining target pieces and dispose of them safely.
- Inspect your shooting area for any stray bullets or debris.

Disposal Instructions

- Dispose of used or damaged targets in accordance with local waste disposal regulations.
- Avoid leaving targets or debris in shooting areas to maintain cleanliness and safety.
- If targets are made of materials that require special disposal, follow local guidelines for hazardous waste.

Contact Information for Further Support

For any inquiries or safety concerns regarding the SHOOTNC Targets, please refer to the contact information provided with your purchase or visit the manufacturer's website.

By following these safety instructions, you can enjoy a safe and productive shooting experience with SHOOTNC Targets. Thank you for your attention to safety, and happy shooting!
