# Safety Instruction Guide for Redding Competition Neck Decapping Rods

## Introduction

Thank you for choosing the Redding Competition Neck Decapping Rods. This guide provides essential safety instructions, proper usage, and disposal information to ensure safe and effective use of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is suitable for your specific cartridge type: 221 Remington Fireball, 22 PPC, or 6 mm BR Norma.
- Always handle the decapping rod with care to prevent injury.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when handling reloading equipment.
- Ensure that the work area is clean and free from distractions while using the decapping rod.
- Avoid using excessive force when decapping to prevent damage to the rod or the cartridge.
- Do not attempt to modify the decapping rod or use it in a manner not outlined in this guide.
- Store the decapping rod in a secure location when not in use to prevent accidental injury.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the decapping rod from its packaging.
- Ensure that the decapping rod is compatible with your Redding Competition Bushing Neck Sizing Die.
- Insert the decapping rod into the sizing die according to the manufacturer's instructions.
- Ensure it is securely in place before proceeding.

### 2. Usage:

- Prepare your cartridge for decapping.
- Position the cartridge in the sizing die with the decapping rod aligned with the primer pocket.
- Apply even pressure to the press handle to decap the cartridge.
- Inspect the decapped cartridge for any signs of damage or debris.

### 3. PostUsage:

- Clean the decapping rod after use to prevent corrosion.
- Store the decapping rod in a safe and dry location.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for nonhazardous materials.
- Do not dispose of the product in household waste if it is damaged or deemed unsafe.

- Consider recycling options if applicable, or consult local waste management services for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please reach out to the designated EUbased contact for safety inquiries. Ensure that you have the product details available for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your reloading experience with Redding Competition Neck Decapping Rods!
