# Safety Instruction Guide for Redding Competition Neck Decapping Rods

## Introduction

Thank you for choosing the Redding Competition Neck Decapping Rods. This guide provides essential safety instructions and information to ensure the safe use and handling of this product. Please read this manual thoroughly before use and keep it for future reference.

## General Safety Guidelines

- Always ensure that the decapping rod is compatible with your specific Redding Competition Bushing Neck Sizing Die model.
- Inspect the decapping rod for any signs of damage or wear before use. Do not use damaged components.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Use the decapping rod only for its intended purpose as specified in this guide.
- Store the decapping rod in a safe and dry location when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the decapping rod.
- Handle the decapping rod with care to avoid injury from sharp edges or components.
- Follow all manufacturer instructions regarding the installation and use of the decapping rod.
- Ensure that the work area is clean and organized to prevent accidents during use.
- Do not attempt to modify the decapping rod or use it in any way that is not recommended by the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Remove the existing decapping rod from the sizing die by loosening the retaining screw.
- Carefully insert the new Redding Competition Neck Decapping Rod into the sizing die.
- Tighten the retaining screw securely to hold the decapping rod in place.

### 2. Usage:

- Prepare your brass cases according to standard reloading practices.
- Insert the brass case into the sizing die, ensuring it is properly aligned.
- Operate the reloading press according to the manufacturer's instructions to decap the case.
- After use, carefully remove the decapping rod from the sizing die for cleaning and storage.

## Disposal Instructions

- Dispose of the decapping rod in accordance with local regulations regarding metal waste.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent injury.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Redding Competition Neck Decapping Rods, please refer to the manufacturer's website or contact their customer service department for assistance.

Thank you for adhering to these safety guidelines. Your safety is our priority.
