Safety Instruction Guide for RCBS Polishing Compound 5Pack

Introduction

Thank you for choosing the RCBS Case Cleaning Media Polishing Compound. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the polishing compound.

General Safety Guidelines

- Always ensure that the workspace is wellventilated when using the polishing compound.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.
- Keep the product out of reach of children and pets.
- Do not ingest the polishing compound; it is not intended for consumption.
- In case of contact with skin or eyes, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Dispose of the product according to local regulations to minimize environmental impact.

Specific Safety Precautions for Use

- Use only in accordance with manufacturer instructions.
- Avoid inhaling dust generated during use; consider wearing a dust mask if necessary.
- Do not mix the polishing compound with any other substances unless specified by the manufacturer.
- Ensure that all equipment used with the polishing compound is clean and free from contaminants.
- If you experience any adverse reactions while using the product, discontinue use immediately and consult a healthcare professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary equipment, including a vibratory tumbler or the RCBS Sidewinder rotary case tumbler.
- Ensure the tumbler is clean and free from any previous media or residues.

2. Adding the Polishing Compound:

- Open one package of the polishing compound (0.6 oz).
- Carefully add the compound to the tumbler media (walnut hulls or corn cob).
- For optimal results, use Formula 1 (walnut hulls) for initial cleaning and Formula 2 (corn cob) for polishing.

3. Operating the Tumbler:

- Follow the manufacturer's instructions for operating the tumbler.
- Monitor the tumbling process to ensure proper operation and avoid overtumbling.

4. PostUse:

- After tumbling, remove the cases and inspect them for cleanliness and polish.
- Clean the tumbler and any tools used during the process to prevent contamination.

Disposal Instructions

- Dispose of any leftover polishing compound and used media in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste; check for local recycling or hazardous waste collection points.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the RCBS Case Cleaning Media Polishing Compound, please consult the manufacturer's website or customer support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our priority.
