CROCOGATOR PRIMER POCKET CLEANER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Crocogator Primer Pocket Cleaner by Dewey. This cleaning tool is designed to help you maintain your primer pockets effectively and safely. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations.

General Safety Guidelines

- Ensure the Crocogator Primer Pocket Cleaner is used only for its intended purpose.
- Keep the cleaner out of reach of children and vulnerable individuals.
- Always inspect the tool for damage before use. Do not use if any parts are broken or worn.
- Follow all local laws and regulations regarding the use and disposal of cleaning tools.
- If you experience any adverse reactions while using this product, discontinue use immediately and seek medical advice.

Specific Safety Precautions for Use

- Use the Crocogator in a wellventilated area to avoid inhaling dust or debris.
- Wear safety goggles to protect your eyes from flying particles during cleaning.
- Avoid using excessive force when cleaning to prevent damaging the brass or the tool.
- Do not use the Crocogator for cleaning anything other than primer pockets.
- Ensure that the tool is clean before and after use to avoid contamination.

Instructions for Installation and Usage

1. Preparation:

- Gather your cleaning materials and ensure you have a clean workspace.
- Check that the Crocogator is free from debris or damage.

2. Using the Crocogator:

- Hold the Crocogator firmly with one hand.
- Insert the knurled teeth into the primer pocket of the brass casing.
- Rotate the tool gently to remove carbon buildup. Avoid applying excessive force.
- Repeat the process for all primer pockets as needed.

3. PostUse:

- After cleaning, inspect the brass for any remaining debris.
- Clean the Crocogator with a soft brush or cloth to remove any residue.
- Store the Crocogator in a safe and dry place, away from children.

Disposal Instructions

- Dispose of any unwanted brass casings and debris in accordance with local waste management guidelines.
- The Crocogator itself is not a hazardous product but should be disposed of responsibly if it becomes damaged or unusable.
- Consider recycling the Crocogator if possible, following local recycling regulations.

Contact Information for Further Support

For any questions or concerns regarding the Crocogator Primer Pocket Cleaner, please reach out to the manufacturer directly. Ensure you have the product details on hand for assistance.

Thank you for following these safety instructions. By adhering to these guidelines, you can ensure a safe and effective cleaning experience with your Crocogator Primer Pocket Cleaner.
