

PRIMER POCKET BRUSHES - PRIMER POCKET BRUSH SMALL

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Cleaners](#)

These stiff metal brushes from RCBS are sized and designed to remove the spent primer residue from the primer pockets after the cases have been deprimed. A couple of twists of the brush and the case is ready for a new primer. Separate brushes for large rifle/ large pistol primer pockets and small rifle/small pistol pockets. Brushes have a standard 8-32 male thread, and fit the Sinclair Accessory Handle #093315 or many other brands of handles.

PRIMER POCKET BRUSHES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the PRIMER POCKET BRUSHES. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. It is important to follow these guidelines to minimize risks and enhance your experience.

General Safety Guidelines

- Always use the brushes as intended for cleaning primer pockets.
- Keep the brushes out of reach of children and vulnerable individuals.
- Inspect the brushes for any damage before use. Do not use if damaged.
- Use protective eyewear to prevent debris from entering your eyes during use.
- Ensure that the area where you are using the brushes is wellventilated.
- Store the brushes in a safe place when not in use to prevent accidents.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The brushes have stiff metal bristles which can cause injury if not handled properly.
- Improper use may lead to damage to the cases or brushes.

- **Avoiding Hazards:**

- Always grip the handle firmly while using the brushes to maintain control.
- Do not apply excessive force when using the brushes to prevent breakage.
- Never use the brushes for purposes other than intended cleaning of primer pockets.

- **AgeSpecific Warnings:**

- This product is not suitable for children under 14 years old. Adult supervision is recommended for users under 18.

Instructions for Installation and Usage

- **Installation:**

1. Ensure you have a compatible handle (e.g., Sinclair Accessory Handle #09331S).
2. Screw the brush into the handle using the standard 832 male thread until secure.

- **Usage:**

1. Insert the brush into the primer pocket of the case.
2. Twist the brush gently to remove spent primer residue. A couple of twists should suffice.
3. Remove the brush and inspect the primer pocket for cleanliness.
4. Repeat the process if necessary until the primer pocket is clean.
5. After use, remove the brush from the handle and clean it if needed.

Disposal Instructions

- Dispose of the brushes in accordance with local regulations.
- If the brushes are damaged or worn out, do not place them in regular waste. Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the PRIMER POCKET BRUSHES, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure a safe and effective experience with your PRIMER POCKET BRUSHES. Thank you for your attention to safety!
