

# **WILSON DECAPPING BASE - L.E. WILSON DECAPPING BASE ONLY .475**

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Some reloaders prefer using these handy tools instead of their reloading die and press for primer removing. Removes military crimped primers, or de-caps your cases separately for case cleaning or tumbling. See below for cartridge family. Punches are caliber specific. Use the 30 caliber punch for all cartridges 30 caliber and up.

## **Attributes**

# WILSON DECAPPING BASE L.E. Safety Instruction Guide

## Introduction

Thank you for choosing the WILSON DECAPPING BASE L.E. This product is designed to assist reloaders in removing primers from cases safely and efficiently. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the product.

## General Safety Guidelines

- **Product Safety:** This product is intended for safe use in reloading activities. Ensure you understand all safety precautions before use.
- **Enhanced Recalls:** Stay informed about product recalls. Check the EU's Safety Gate platform for updates on your product.
- **Online Shopping:** If purchased online, ensure the platform follows safety regulations equivalent to physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children. It is not designed for use by individuals under the age of 18.
- **EU Contact Point:** For any safety inquiries, consult the designated EU contact point for this product.
- **Rapid Alerts:** Be aware of the rapid alert system for unsafe products. Follow updates via the Safety Gate system.

## Specific Safety Precautions for Use

- **Personal Safety:**
  - Always wear safety glasses to protect your eyes from debris.
  - Use gloves to protect your hands from sharp edges or residues.
- **Work Environment:**
  - Ensure your work area is clean and welllit.
  - Avoid using the product in areas where children or pets are present.
- **Handling:**
  - Handle the decapping base with care to avoid injury.
  - Do not force the removal of primers; if resistance is felt, inspect the setup before proceeding.
- **Storage:**
  - Store the decapping base in a secure location when not in use.
  - Keep all components away from moisture and extreme temperatures.

## Instructions for Installation and Usage

### 1. Assembly:

- Ensure you have the correct caliber punch for your cartridges.
- Insert the caliberspecific punch into the decapping base securely.

### 2. Usage:

- Place the case into the decapping base.
- Align the punch with the primer pocket.
- Apply even pressure to remove the primer. Do not use excessive force.
- Inspect the case after decapping to ensure it is free of any debris or damage.

### 3. Cleaning:

- Clean the decapping base regularly to prevent buildup of residues.
- Use a soft brush or cloth for cleaning. Avoid harsh chemicals.

#### **4. Disposal:**

- Dispose of used primers and any waste materials according to local regulations.
- Do not dispose of primers in a manner that could cause environmental harm.

## **Disposal Instructions**

- Dispose of the WILSON DECAPPING BASE L.E. according to local waste management regulations.
- Ensure that any nonreusable components are recycled or disposed of in an environmentally friendly manner.
- If you are unsure about disposal methods, contact your local waste authority for guidance.

## **Contact Information for Further Support**

For further assistance, please consult the designated EU contact point for this product. They can provide additional support and information regarding safety and usage.

By following these safety instructions, you can ensure a safe and effective experience with the WILSON DECAPPING BASE L.E. Thank you for your attention to these important safety guidelines.
