# Butch's Gun Oil Safety Instructions

## Introduction

Thank you for choosing Butch's Gun Oil. This product is designed to enhance the performance and longevity of your firearms. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use.

## General Safety Guidelines

- Always read and understand the product label before use.
- Store Butch's Gun Oil in a cool, dry place away from heat sources and direct sunlight.
- Keep the product out of reach of children and pets.
- Do not use Butch's Gun Oil for any purpose other than its intended use.
- In case of accidental contact with skin or eyes, rinse thoroughly with water and seek medical attention if irritation persists.
- Avoid inhaling vapors. Use in a wellventilated area.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before applying Butch's Gun Oil.
- Apply the oil sparingly to avoid excess buildup, which can attract dirt and debris.
- Wear gloves to protect your skin when applying the oil, especially if you have sensitive skin.
- Do not apply the oil near open flames or sparks, as it is flammable.
- If ingested, seek medical help immediately. Do not induce vomiting unless instructed by a medical professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including Butch's Bore Shine for preliminary cleaning.

### 2. Application:

- Shake the Butch's Gun Oil bottle gently before use.
- Apply a small amount of oil to a clean cloth or patch.
- Wipe down the metal surfaces of the firearm, focusing on the barrel and action.
- Allow the oil to penetrate for a few minutes before wiping off any excess.

### 3. Final Steps:

- After applying Butch's Gun Oil, ensure that the firearm is reassembled correctly.
- Store the firearm in a safe and secure location.

## Disposal Instructions

- Dispose of empty Butch's Gun Oil containers in accordance with local regulations.
- Do not pour the oil down drains or into water sources.
- Check with your local waste management facility for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For safety inquiries or additional information regarding Butch's Gun Oil, please refer to the manufacturer's contact details provided on the product packaging.

By following these safety instructions, you can ensure the effective and safe use of Butch's Gun Oil while complying with the EU General Product Safety Regulation. Thank you for your attention and commitment to safety.
