

# Sinclair Fluorescent Sight-in Target (25) - SINCLAIR INTERNATIONAL FLUORESCENT SIGHT-IN TARGETS 25 PACK

[Shooting Accessories](#) > [Targets & Accessories](#) > [Paper Targets](#)

Our sight-in target is comprised of 4 small diamonds surrounding a large center diamond overlaid on a grid of 1 inch squares. Diamonds and grid are printed in fluorescent orange on white, heavy grade paper stock so your shots print nice and clean. Excellent for low-light conditions. Targets measure 8-1/2 x 11 inch and are sold in pads of 25.

# Sinclair Fluorescent Sightin Target Safety Instructions

## Introduction

Thank you for choosing the Sinclair Fluorescent Sightin Target. This guide provides important safety information and instructions for the proper use of this product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure the target is used in appropriate settings, away from people and animals.
- Always use the target in a controlled environment, such as a shooting range.
- Check the target for any damage before use. Do not use if the target is torn or otherwise compromised.
- Keep the target away from moisture and extreme temperatures to maintain its integrity.
- Store the targets in a cool, dry place when not in use.

## Specific Safety Precautions for Use

- Do not use the target in lowlight conditions unless you have proper lighting.
- Ensure that all participants are wearing appropriate eye and ear protection while using the target.
- Avoid using the target in windy conditions that may affect accuracy.
- Be mindful of your shooting position and ensure that the area behind the target is safe and clear of obstructions.
- Do not attempt to modify or alter the target in any way.

## Instructions for Installation and Usage

### 1. Preparation

- Choose a suitable location for target installation, ensuring it is safe and permissible for shooting.
- Gather necessary equipment, including a suitable backing board if needed.

### 2. Installation

- If using a backing board, securely attach the target using tape or push pins.
- Ensure that the target is flat and stable.

### 3. Usage

- Stand at a safe distance from the target, ensuring that you are within the recommended shooting range.
- Aim carefully at the center diamond for optimal accuracy.
- After shooting, check the target for bullet holes to assess your accuracy.

### 4. PostUsage

- Dispose of used targets responsibly. Do not leave them in public areas.
- Store any remaining targets in a safe place, away from children and pets.

## Disposal Instructions

- Dispose of used targets in accordance with local waste disposal regulations.

- If the target is damaged or no longer usable, recycle the paper if possible.
- Do not burn the targets, as they may contain inks or coatings that are harmful when burned.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the Sinclair Fluorescent Sightin Target, please refer to the manufacturer's contact information included with the product packaging or visit the manufacturer's website for additional resources.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Sinclair Fluorescent Sightin Target. Always prioritize safety and proper usage to maximize the effectiveness of your shooting practice. Thank you for your attention to these important safety measures.
