

LOADBOOK-9MM LUGER - LOADBOOKS USA LOADBOOK-9MM LUGER

[Reloading](#) > [Books & Videos](#) > [Books](#) > [Reloading Books & Manuals](#)

Loadbooks make excellent reference books for seasoned reloaders, or great primers for newcomers. These easy-to-understand and wellorganized reloading manuals cover most calibers for pistols and rifles, as well as popular shotgun shell sizes— including .410, 28, 20, and 12 gauges. You'll get up-to-date, accurate, and unabridged information from major US bullet and powder manufactures, including Accurate, Alliant, Hodgdon, Hornady, IMR, Lyman, Nosler, RCBS, Sierra, Speer, Winchester, and others. These money-saving manuals cover essential information on such subjects as lead and jacketed bullets; various bullet designs; proven and tested loads for rifled slugs, trap, skeet, sporting clays; lead shot for upland hunting; steel shot for waterfowl hunting; buckshot and blanks; and the various powders used for the specific calibers/gauges you want to load. Printed on heavyweight paper and spiral bound, these manuals will lay flat on your workbench.

LOADBOOK9MM LUGER Safety Instruction Guide

Introduction

Thank you for choosing the LOADBOOK9MM LUGER from LOADBOOKS USA. This manual serves as a comprehensive safety guide to help you understand the safe use of this reloading manual and the associated equipment. It is important to follow these guidelines to ensure your safety and the safety of others.

General Safety Guidelines

- Always read and understand the entire manual before using the product.
- Ensure that all equipment used in conjunction with the reloading manual is in good working condition.
- Store the manual in a safe and accessible location away from children and pets.
- Be aware of your surroundings when reloading and ensure that the area is clear of distractions.
- Regularly check for any updates or recalls related to the product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only the recommended components listed in the manual for reloading.
- Wear appropriate safety gear, including safety glasses and gloves, when handling powders and bullets.
- Keep all reloading materials out of reach of children and unauthorized individuals.
- Do not consume food or beverages in the reloading area to avoid contamination.
- If you notice any irregularities or malfunctions while reloading, stop immediately and consult the manual or a qualified professional.

Instructions for Installation and Usage

- Ensure that you have a clean, dry, and wellventilated workspace before beginning your reloading process.
- Gather all necessary materials, including the LOADBOOK9MM LUGER, reloading components, and safety equipment.
- Follow these steps for using the LOADBOOK9MM LUGER:
 1. Open the manual to the relevant section for the caliber you are reloading.
 2. Review the recommended loads and follow the instructions carefully.
 3. Measure and prepare the components as indicated in the manual.
 4. Proceed with the reloading process, ensuring to follow all safety precautions listed above.
 5. After completing the reloading, store all components and the manual in a safe location.

Disposal Instructions

- Dispose of any unused or expired reloading materials according to local regulations.
- Do not dispose of powders or bullets in regular household waste.
- Contact local waste management authorities for guidance on the safe disposal of hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the EUbased contact point provided with your product.

By following these safety instructions, you can ensure a safe and effective reloading experience with the LOADBOOK9MM LUGER. Thank you for your attention to these important guidelines.
