

TRIM PRO SHELLHOLDER - RCBS TRIM PRO CASE TRIMMER SHELLHOLDER #16

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

Trim cases quickly and accurately with the RCBS Trim Pro. The Trim Pro features a spring-loaded lever with shell holders (plates) that lock the cases securely and square to the cutter. The base is die cast metal and includes places for 8 case neck pilots. Length adjustment is easily done with a micrometer style adjustment collar on the cutter shaft. The cutter has hardened cutting blades for a lifetime of use. The trimmer is available in kit form which includes shell holders (2,3, 4, and 10) and pilots (.22, .24, .25, .27, 7mm, .30, .44, and .45 calibers). You can also buy the trimmer separately without pilots or shellholders. Optional accessories include the power converter, which allows you to use a power drill (not a power screwdriver), neck turning tool attachments, and a dust cover. Trim Pro Shellholders follow the same numbering system and cartridge fit as RCBS press type shellholders. See chart here.

TRIM PRO SHELLHOLDER Safety Instruction Guide

Introduction

Thank you for choosing the TRIM PRO SHELLHOLDER RCBS TRIM PRO CASE TRIMMER SHELLHOLDER #16. This product is designed for trimming cases quickly and accurately. To ensure your safety and the proper functioning of the product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the TRIM PRO SHELLHOLDER in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean, dry, and free from hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the trimmer for any signs of wear or damage before use.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the trimmer.
- Familiarize yourself with the product before use to ensure safe operation.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Electric Shock:** If using a power drill, ensure it is properly grounded. Do not use a power screwdriver as it may not provide adequate torque control.
- **Cutting Hazards:** The cutter has hardened blades. Handle with care to avoid cuts. Always ensure the cutter is not in motion when adjusting or changing shell holders.
- **Secure Setup:** Ensure that the shell holders lock the cases securely and square to the cutter before starting to trim.
- **Pilot Safety:** Use the correct neck pilots for the calibers being trimmed to avoid misalignment and potential accidents.
- **Ventilation:** Use the trimmer in a wellventilated area, especially when using optional accessories like the neck turning tool attachments.

Instructions for Installation and Usage

1. Setup:

- Place the TRIM PRO SHELLHOLDER on a stable, flat surface.
- Ensure that all components are present: trimmer, shell holders (2, 3, 4, and 10), and pilots (.22, .24, .25, .27, 7mm, .30, .44, and .45 calibers).

2. Adjusting Length:

- Use the micrometer style adjustment collar on the cutter shaft for length adjustment.
- Make small adjustments and check the alignment before securing.

3. Using the Trimmer:

- Insert the case into the appropriate shell holder.
- Lock the shell holder in place using the springloaded lever.
- Start the power drill (not a power screwdriver) and begin trimming.
- Monitor the trimming process and stop the drill if any issues arise.

4. After Use:

- Turn off the power drill and disconnect it.

- Clean the trimmer and store it in a safe place away from moisture and children.

Disposal Instructions

- Dispose of the TRIM PRO SHELLHOLDER and any worn parts in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling programs in your area.
- Ensure that any sharp blades are safely wrapped or disposed of to prevent injury.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact details provided with your product documentation.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your TRIM PRO SHELLHOLDER RCBS TRIM PRO CASE TRIMMER SHELLHOLDER #16. Thank you for prioritizing safety while using our product.
