

# TRIM PRO SHELLHOLDER - RCBS TRIM PRO CASE TRIMMER SHELLHOLDER #3

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

Trim cases quickly and accurately with the RCBS Trim Pro. The Trim Pro features a spring-loaded lever with shell holders (plates) that lock the cases securely and square to the cutter. The base is die cast metal and includes places for 8 case neck pilots. Length adjustment is easily done with a micrometer style adjustment collar on the cutter shaft. The cutter has hardened cutting blades for a lifetime of use. The trimmer is available in kit form which includes shell holders (2,3, 4, and 10) and pilots (.22, .24, .25, .27, 7mm, .30, .44, and .45 calibers). You can also buy the trimmer separately without pilots or shellholders. Optional accessories include the power converter, which allows you to use a power drill (not a power screwdriver), neck turning tool attachments, and a dust cover. Trim Pro Shellholders follow the same numbering system and cartridge fit as RCBS press type shellholders. See chart here.

## Attributes

- Name: [RCBS TRIM PRO CASE TRIMMER SHELLHOLDER #3](#)
- Manufacturer: [RCBS](#)
- Product no.: 749000894

# TRIM PRO SHELLHOLDER RCBS TRIM PRO CASE TRIMMER SHELLHOLDER #3 Safety Instructions

## Introduction

Thank you for choosing the TRIM PRO SHELLHOLDER RCBS TRIM PRO CASE TRIMMER SHELLHOLDER #3. This guide provides essential safety instructions to ensure safe and effective use of this product. Please read this guide carefully before using the trimmer.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the trimmer and its components for any signs of wear or damage.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when operating the trimmer.
- Be aware of your surroundings and ensure that your workspace is clean and free from clutter.
- Do not exceed the manufacturer's specifications for case sizes and types.
- Report any unsafe products or incidents to authorities as necessary.

## Specific Safety Precautions for Use

- Ensure that the trimmer is securely mounted before use to prevent movement.
- Do not place your hands near the cutting area while the trimmer is in operation.
- Always allow the cutter to come to a complete stop before making any adjustments or removing cases.
- Use the correct shell holder and pilot for the specific caliber you are trimming.
- Do not modify the trimmer or use it for purposes other than intended.
- If using power tools, ensure they are compatible and follow the manufacturer's guidelines for safe operation.

## Instructions for Installation and Usage

### 1. Installation:

- Place the trimmer on a stable work surface.
- Securely attach the trimmer using appropriate fasteners if needed.
- Install the appropriate shell holder for the caliber you will be trimming.
- Adjust the cutter height using the micrometer style adjustment collar for precise trimming.

### 2. Usage:

- Insert the case into the shell holder and ensure it is locked securely.
- Start the trimmer and allow it to reach full speed before feeding the case.
- Trim the case until the desired length is achieved, then stop the trimmer.
- Remove the trimmed case carefully, ensuring your hands are clear of the cutting area.
- Clean the trimmer after each use to maintain optimal performance.

## Disposal Instructions

- Dispose of any worn or damaged components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries related to safety or product support, please refer to the manufacturer's contact details provided in the product documentation.

By following these safety instructions, you can ensure a safe and effective experience with your TRIM PRO SHELLHOLDER RCBS TRIM PRO CASE TRIMMER SHELLHOLDER #3. Thank you for your attention to safety and proper usage.
