

BULLET COMPARATOR INSERTS - SINCLAIR INTERNATIONAL

BULLET COMPARATOR INSERT, 375 CALIBER (0.375")

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparators](#)

The Sinclair Bullet Comparator inserts are meant to be used with the Sinclair Bullet Comparator and Bump Gage Body. These inserts are stainless steel and machined with a taper and a short straight section to more accurately duplicate the chamber throat. This eliminates the wobble experienced with many comparators which have standard drilled holes. Our design allows you to quickly and accurately measure and compare bullet ogive-to-base as well as loaded round ogive-to-cartridge-base measurements. This measurement gives more consistent results than measuring overall lengths since the meplat (the open tip of the bullet) can vary by several thousandths of an inch from bullet to bullet.

Safety Instruction Guide for BULLET COMPARATOR INSERTS SINCLAIR INTERNATIONAL 375 CALIBER

Introduction

Thank you for choosing the BULLET COMPARATOR INSERTS from Sinclair International. This guide provides essential safety instructions and best practices to ensure the safe and effective use of this product. Please read this manual carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any product recalls by checking the official channels regularly.
- **Online Shopping:** If purchased online, ensure that the retailer meets safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra caution should be taken when the product is used by or around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point provided at the time of purchase.
- **Rapid Alerts:** Be aware of updates regarding unsafe products via the EU Safety Gate system.

Specific Safety Precautions for Use

- Always use the BULLET COMPARATOR INSERTS in accordance with the manufacturer's instructions.
- Ensure that the comparator and bump gauge body are compatible with the inserts.
- Handle all components with care to avoid any injury or damage.
- Do not modify or alter the inserts in any way, as this may compromise safety and accuracy.
- Store the inserts in a safe place away from children and pets.
- Regularly inspect the inserts for any signs of wear or damage before use.
- Use appropriate personal protective equipment (PPE) when measuring and handling bullets.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the Sinclair Bullet Comparator and Bump Gauge Body are clean and free from debris.
- Gather all necessary tools and materials before beginning the installation.

2. Installation:

- Carefully insert the BULLET COMPARATOR INSERT into the Sinclair Bullet Comparator.
- Ensure that the insert is seated securely and correctly aligned with the comparator.

3. Usage:

- Place the bullet or loaded round into the comparator.
- Align the bullet ogive with the comparator to ensure an accurate measurement.
- Measure the ogivetobase and cartridgebase distances as needed.
- Record measurements for future reference.

4. PostUsage Care:

- After use, remove the inserts and clean them as necessary.
- Store the inserts in their designated container to prevent loss or damage.

Disposal Instructions

- Dispose of the BULLET COMPARATOR INSERTS in accordance with local regulations.
- Do not dispose of the inserts in household waste.
- If the inserts are damaged or no longer usable, consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the BULLET COMPARATOR INSERTS, please refer to the customer support information provided with your purchase. Ensure that you have the product details ready for a more efficient response.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the BULLET COMPARATOR INSERTS from Sinclair International. Thank you for prioritizing safety in your use of this product.
