

# **BULLET COMPARATOR INSERTS - SINCLAIR INTERNATIONAL**

## **BULLET COMPARATOR INSERT, 35 CALIBER (0.358")**

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparators](#)

The Sinclair Bullet Comparator inserts are meant to be used with the Sinclair Bullet Comparator and Bump Gage Body. These inserts are stainless steel and machined with a taper and a short straight section to more accurately duplicate the chamber throat. This eliminates the wobble experienced with many comparators which have standard drilled holes. Our design allows you to quickly and accurately measure and compare bullet ogive-to-base as well as loaded round ogive-to-cartridge-base measurements. This measurement gives more consistent results than measuring overall lengths since the meplat (the open tip of the bullet) can vary by several thousandths of an inch from bullet to bullet.

### **Attributes**

- Name: [SINCLAIR INTERNATIONAL BULLET COMPARATOR INSERT, 35 CALIBER \(0.358"\)](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000920
- Mfr. No.: 090358
- Caliber: 35 Caliber (.358)
- Delivery weight: 0.068kg
- Shipping height: 13mm
- Shipping width: 84mm
- Shipping length: 147mm

# **Safety Instruction Guide for BULLET COMPARATOR INSERTS SINCLAIR INTERNATIONAL 35 CALIBER (0.358") COMPARATOR INSERT**

## **Introduction**

Thank you for choosing the Sinclair Bullet Comparator Inserts. These inserts are designed to enhance your reloading experience by providing accurate measurements for bullet ogivetobase and loaded round ogivetocartridgebase. It is essential to follow safety guidelines to ensure safe and effective use of this product. This guide provides important safety instructions and operational guidelines in compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Always use the product in accordance with the provided instructions.
- Ensure that the comparator inserts are compatible with the Sinclair Bullet Comparator and Bump Gage Body before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## **Specific Safety Precautions for Use**

- Use caution when handling sharp or pointed objects, as the bullet comparator inserts can pose a risk of injury.
- Avoid using the product in wet or damp environments to prevent rust and corrosion.
- Do not force the inserts into the comparator body; this may cause damage to both the inserts and the comparator.
- Ensure that all measurements are taken with the product securely in place to avoid miscalculations.
- Store the inserts in a dry place, away from extreme temperatures, to maintain their integrity.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that the Sinclair Bullet Comparator is clean and free of debris.
- Select the appropriate caliber insert for your measurement needs (in this case, 35 Caliber or 0.358").
- Carefully insert the comparator insert into the designated slot of the comparator body. Ensure it is seated properly and securely.

### **2. Usage:**

- Place the bullet to be measured into the comparator insert.
- Gently press down to ensure the bullet is seated correctly.
- Use a caliper or other measuring tool to measure the ogivetobase or ogivetocartridgebase as needed.
- Record the measurements for your reference.

### **3. After Use:**

- Remove the bullet from the comparator insert.
- Clean the insert and comparator body as needed to maintain their condition.
- Store the inserts in a protective case to avoid damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal recycling and waste disposal.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, ensure that it is recycled appropriately to minimize environmental impact.

## Contact Information for Further Support

For any inquiries regarding product safety, usage, or support, please refer to the manufacturer's contact details provided with the product packaging. It is essential to reach out for assistance if you have questions or concerns about the product's functionality or safety.

By following these guidelines, you can ensure a safe and effective experience with the Sinclair Bullet Comparator Inserts. Thank you for your attention to these important safety instructions.
