

# BULLET COMPARATOR INSERTS - SINCLAIR INTERNATIONAL

## BULLET COMPARATOR INSERT, 25 CALIBER (0.257")

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparators](#)

The Sinclair Bullet Comparator inserts are meant to be used with the Sinclair Bullet Comparator and Bump Gage Body. These inserts are stainless steel and machined with a taper and a short straight section to more accurately duplicate the chamber throat. This eliminates the wobble experienced with many comparators which have standard drilled holes. Our design allows you to quickly and accurately measure and compare bullet ogive-to-base as well as loaded round ogive-to-cartridge-base measurements. This measurement gives more consistent results than measuring overall lengths since the meplat (the open tip of the bullet) can vary by several thousandths of an inch from bullet to bullet.

### Attributes

- Name: [SINCLAIR INTERNATIONAL BULLET COMPARATOR INSERT, 25 CALIBER \(0.257"\)](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000922
- Mfr. No.: 090257
- Caliber: 25 Caliber (.257)
- Delivery weight: 0.023kg
- Shipping height: 1mm
- Shipping width: 83mm
- Shipping length: 146mm

# **Safety Instruction Guide for BULLET COMPARATOR INSERTS SINCLAIR INTERNATIONAL 25 CALIBER (0.257") COMPARATOR INSERT**

## **Introduction**

Thank you for choosing the Sinclair Bullet Comparator Inserts. This guide provides important safety information and instructions for the proper use of the product. Please read this guide carefully to ensure safe and effective operation.

## **General Safety Guidelines**

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the inserts out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Always wear appropriate safety gear, such as eye protection, when using the comparator.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Use only with the Sinclair Bullet Comparator and Bump Gage Body.
- Avoid excessive force when inserting or removing the comparator inserts to prevent damage.
- Ensure that the inserts are clean and free from debris before use.
- Do not attempt to modify or alter the inserts in any way.
- When measuring, ensure that the comparator is stable to avoid inaccurate readings.
- Store the inserts in a safe and dry location when not in use.

## **Instructions for Installation and Usage**

### **1. Installation**

- Ensure that the Sinclair Bullet Comparator is properly set up according to its manual.
- Select the appropriate bullet comparator insert for your caliber (25 Caliber / 0.257").
- Gently insert the comparator insert into the Sinclair Bullet Comparator until it is securely in place.

### **2. Usage**

- Place the bullet into the comparator insert.
- Align the comparator with the Bump Gage Body.
- Gently press down to ensure a secure fit without excessive force.
- Take measurements by noting the ogivetobase distance.
- Record your measurements for future reference.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the inserts in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the Sinclair Bullet Comparator Inserts, please refer to the manufacturer's contact details provided with your product. Ensure that you have the product information ready for a quicker response.

By following these guidelines, you can ensure a safe and effective experience with your Sinclair Bullet Comparator Inserts. Thank you for your attention to safety!
