

# BULLET COMPARATOR INSERTS - SINCLAIR INTERNATIONAL

## BULLET COMPARATOR INSERT, 20 CALIBER (0.204")

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparators](#)

The Sinclair Bullet Comparator inserts are meant to be used with the Sinclair Bullet Comparator and Bump Gage Body. These inserts are stainless steel and machined with a taper and a short straight section to more accurately duplicate the chamber throat. This eliminates the wobble experienced with many comparators which have standard drilled holes. Our design allows you to quickly and accurately measure and compare bullet ogive-to-base as well as loaded round ogive-to-cartridge-base measurements. This measurement gives more consistent results than measuring overall lengths since the meplat (the open tip of the bullet) can vary by several thousandths of an inch from bullet to bullet.

### Attributes

- Name: [SINCLAIR INTERNATIONAL BULLET COMPARATOR INSERT, 20 CALIBER \(0.204"\)](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000927
- Mfr. No.: 090204
- Caliber: 20 Caliber (.204)
- Delivery weight: 0.023kg
- Shipping height: 1mm
- Shipping width: 89mm
- Shipping length: 89mm

# **Safety Instruction Guide for BULLET COMPARATOR INSERTS SINCLAIR INTERNATIONAL 20 CALIBER (0.204") COMPARATOR INSERT**

## **Introduction**

Thank you for choosing the Sinclair Bullet Comparator Inserts. These precision tools are designed to enhance your reloading experience by providing accurate measurements of bullet ogivetobase and loaded round ogivetocartridgebase. This guide aims to ensure your safety and the proper use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Always read and understand all instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Use the comparator inserts only with the Sinclair Bullet Comparator and Bump Gage Body.
- Handle the inserts with care to avoid injury from sharp edges.
- Ensure that the comparator and inserts are securely attached before taking measurements.
- Do not force the inserts into the comparator; this may cause damage or inaccurate readings.
- Avoid using the product in wet or damp conditions to prevent rusting or corrosion.
- Wear safety glasses to protect your eyes from any debris during use.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the Sinclair Bullet Comparator is placed on a stable, flat surface.
- Take the desired comparator insert and align it with the comparator body.
- Gently insert the comparator insert into the comparator until it is securely in place.

### **2. Usage:**

- Place the bullet or loaded round into the comparator.
- Ensure that the bullet is seated correctly and that there is no wobble.
- Take the measurement of the ogivetobase or ogivetocartridgebase as required.
- Record your measurements for future reference.

### **3. PostUse Care:**

- Remove the comparator insert from the comparator after use.
- Clean the inserts with a soft cloth to remove any debris or residue.
- Store the inserts in a dry place to prevent corrosion.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of in a manner that prevents injury to others.
- Do not dispose of the product in household waste. Check for designated recycling facilities.

## **Contact Information for Further Support**

For any inquiries or support regarding the use of the Sinclair Bullet Comparator Inserts, please refer to the manufacturer's contact information provided on the product packaging or visit the official Sinclair International website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Sinclair Bullet Comparator Inserts. Thank you for prioritizing safety and compliance with the EU GPSR.
