

# BULLET COMPARATOR INSERTS - SINCLAIR INTERNATIONAL

## BULLET COMPARATOR INSERT, 22 CALIBER (0.224")

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparators](#)

The Sinclair Bullet Comparator inserts are meant to be used with the Sinclair Bullet Comparator and Bump Gage Body. These inserts are stainless steel and machined with a taper and a short straight section to more accurately duplicate the chamber throat. This eliminates the wobble experienced with many comparators which have standard drilled holes. Our design allows you to quickly and accurately measure and compare bullet ogive-to-base as well as loaded round ogive-to-cartridge-base measurements. This measurement gives more consistent results than measuring overall lengths since the meplat (the open tip of the bullet) can vary by several thousandths of an inch from bullet to bullet.

### Attributes

- Name: [SINCLAIR INTERNATIONAL BULLET COMPARATOR INSERT, 22 CALIBER \(0.224"\)](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000928
- Mfr. No.:
- Caliber: 22 Caliber (.223-.224)
- Delivery weight: 0.023kg
- Shipping width: 83mm
- Shipping length: 146mm

# **Safety Instruction Guide for BULLET COMPARATOR INSERTS SINCLAIR INTERNATIONAL 22 CALIBER (0.224") COMPARATOR INSERT**

## **Introduction**

Thank you for choosing the Sinclair Bullet Comparator Inserts. These inserts are designed to improve the accuracy of your measurements while reloading. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## **General Safety Guidelines**

- Ensure that all safety precautions are observed while handling and using this product.
- Always use the product in a safe environment, free from distractions and hazards.
- Store the product in a secure location, away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Be aware of the specific risks associated with the use of reloading equipment and components.

## **Specific Safety Precautions for Use**

- Always wear appropriate eye protection when using the comparator inserts.
- Use the comparator inserts only with the compatible Sinclair Bullet Comparator and Bump Gage Body.
- Avoid forcing the inserts into the comparator; if resistance is felt, check for alignment issues.
- Keep fingers and other body parts clear of moving parts during measurement.
- Do not attempt to modify or disassemble the inserts, as this may lead to improper function or injury.
- Follow all manufacturer instructions for the proper use of the comparator and inserts.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that the Sinclair Bullet Comparator and Bump Gage Body are clean and free from debris.
- Select the appropriate comparator insert for your caliber (22 Caliber / 0.224").
- Align the insert with the comparator body and gently push it into place until it is securely fitted.

### **2. Usage:**

- Place the bullet or loaded round into the comparator, ensuring it is seated correctly.
- Carefully measure the bullet ogivetobase and loaded round ogivetocartridgebase.
- Record your measurements for future reference.
- After use, remove the bullet or loaded round from the comparator and store the inserts safely.

## **Disposal Instructions**

- Dispose of any damaged or worn inserts in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste. Instead, recycle where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or assistance regarding the use of this product, please contact the manufacturer

directly. Ensure you have the product details ready to facilitate efficient support.

By adhering to these safety guidelines, you can ensure a safer and more effective experience while using the Sinclair Bullet Comparator Inserts. Thank you for your attention to these important safety measures.
