

BULLET COMPARATOR INSERTS - SINCLAIR INTERNATIONAL

BULLET COMPARATOR INSERT, 30 CALIBER (0.308")

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparators](#)

The Sinclair Bullet Comparator inserts are meant to be used with the Sinclair Bullet Comparator and Bump Gage Body. These inserts are stainless steel and machined with a taper and a short straight section to more accurately duplicate the chamber throat. This eliminates the wobble experienced with many comparators which have standard drilled holes. Our design allows you to quickly and accurately measure and compare bullet ogive-to-base as well as loaded round ogive-to-cartridge-base measurements. This measurement gives more consistent results than measuring overall lengths since the meplat (the open tip of the bullet) can vary by several thousandths of an inch from bullet to bullet.

Attributes

- Name: [SINCLAIR INTERNATIONAL BULLET COMPARATOR INSERT, 30 CALIBER \(0.308"\)](#)

Safety Instruction Guide for BULLET COMPARATOR INSERTS SINCLAIR INTERNATIONAL 30 CALIBER (0.308") COMPARATOR INSERT

Introduction

Thank you for choosing the Sinclair Bullet Comparator Inserts. These inserts are designed to enhance your reloading experience by providing accurate measurements of bullet ogivetobase and loaded round ogivetocartridgebase. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure your safety and the effective use of this product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle the comparator inserts with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the inserts only with the compatible Sinclair Bullet Comparator and Bump Gage Body.
- Avoid using the product if it is damaged or malfunctioning.
- Do not apply excessive force when measuring, as this may lead to inaccurate readings or damage to the inserts.
- Ensure that your working area is clean and free of any obstructions to prevent accidents.
- Wear appropriate safety gear, such as safety glasses, when using the product to protect against potential debris.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure a clean working environment.
- Familiarize yourself with the Sinclair Bullet Comparator and Bump Gage Body.

2. Installation:

- Carefully insert the comparator inserts into the Sinclair Bullet Comparator.
- Ensure that the inserts are securely fitted and aligned properly.

3. Measuring:

- Place the bullet or loaded round into the comparator.
- Gently push down until the bullet is seated securely.
- Read the measurements from the comparator, ensuring accuracy by avoiding any wobble.

4. PostUse Care:

- After use, remove the inserts and clean them with a soft cloth to remove any debris.
- Store the inserts in a safe place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the inserts in regular household waste if they are deemed hazardous.
- Check with local waste management authorities for specific disposal guidelines.

Contact Information for Further Support

For any inquiries or safety concerns, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the Sinclair Bullet Comparator Inserts. Thank you for your attention to safety, and happy reloading!
