Safety Instruction Guide for SINCLAIR #1 and #2 AllPurpose Bore Guide Collars

Introduction

Thank you for choosing the SINCLAIR #1 and #2 AllPurpose Bore Guide Collars. These products are designed to assist in the safe and effective cleaning of firearm barrels. This guide provides essential safety instructions and usage information to ensure your experience is safe and satisfactory.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bore guide collars for any signs of damage before use. Do not use if damaged.
- Ensure that the bore guide collars are compatible with your cleaning rod and firearm.
- Always wear appropriate safety gear, such as eye protection, when cleaning firearms.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Use the bore guide collars only for their intended purpose.
- Do not force the collars onto the cleaning rod or firearm. If resistance is felt, check for compatibility.
- Avoid using excessive force when inserting or removing the bore guide collars.
- Ensure the firearm is unloaded and pointed in a safe direction before using the bore guide collars.
- Do not leave the bore guide collars unattended while in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe location.
- Gather all necessary cleaning supplies, including cleaning rods, brushes, and solvents.

2. Installation:

- Select the appropriate bore guide collar (either #1 or #2) based on your cleaning rod diameter (0.675").
- Align the collar with the cleaning rod and gently slide it onto the rod until it is securely in place.

3. Usage:

- Insert the cleaning rod with the attached bore guide collar into the firearm's chamber.
- Slowly and carefully move the cleaning rod back and forth to clean the barrel.
- After cleaning, remove the bore guide collar from the cleaning rod by gently sliding it off.

4. PostUse:

- Clean the bore guide collars with a soft cloth to remove any solvent or debris.
- Store the bore guide collars in a dry location, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn bore guide collars in accordance with local regulations.

- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the use of the SINCLAIR #1 and #2 AllPurpose Bore Guide Collars, please refer to the manufacturer's website or customer support resources.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your SINCLAIR AllPurpose Bore Guide Collars. Always prioritize safety and adhere to local regulations when handling firearms and cleaning equipment. Thank you for your attention to these important guidelines.
