## Safety Instruction Guide

### Introduction

Thank you for choosing the Redding Powder Funnel. This product is designed for safe and efficient use with 2245 caliber cases. This guide provides essential safety instructions and guidelines to ensure a safe experience while using the powder funnel. Please read this document carefully before use.

### General Safety Guidelines

- Ensure the product is used in accordance with all safety instructions provided in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the powder funnel for any signs of damage or wear before each use.
- If the product is damaged, discontinue use immediately and seek a replacement.
- Always use the product in a wellventilated area to prevent inhalation of any powder particles.
- Do not use the powder funnel for any purpose other than its intended use.

### Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when handling powders.
- Avoid direct contact with powders. If skin contact occurs, wash the affected area with soap and water.
- Do not attempt to modify or alter the powder funnel in any way.
- Ensure that the powder funnel is stable and secure during use to prevent spills or accidents.
- Keep the work area clean and organized to minimize the risk of accidents.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure that the work area is clean and welllit.
- Gather all necessary materials and tools before starting.

#### 2. Using the Powder Funnel:

- Hold the powder funnel securely by its base.
- Position the funnel over the case you are filling.
- Slowly pour the powder into the funnel, allowing it to flow into the case without spilling.
- If you encounter resistance or blockage, stop pouring and check for any obstructions in the funnel.
- Once the case is filled, carefully remove the funnel, ensuring no powder spills.

#### 3. PostUse Care:

- Clean the powder funnel after each use to prevent crosscontamination of powders.
- Store the funnel in a dry and safe location, away from children and pets.

### Disposal Instructions

- Dispose of any unused powder in accordance with local regulations for hazardous materials.
- Recycle the powder funnel if it is no longer usable, following local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the Redding Powder Funnel, please refer to the manufacturer's contact details provided on the packaging or product documentation.

## **Important Note**

In case of an emergency or if you encounter an unsafe condition with the product, report the issue to the appropriate authorities and check for recall updates on the EU's Safety Gate platform. Always prioritize safety and adhere to local regulations regarding the use and disposal of powderrelated products.

Thank you for your attention to these safety instructions. Enjoy your experience with the Redding Powder Funnel!
