

# TRU-KOTE BENCHREST STOCK TAPE - BENCHRITE 1-GUN PTFE STOCK TAPE KIT

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

Many benchrest shooters use tape on the forend and buttstock of their rifles to help the stock slide smoother in the bags. The tape also protects the stock surfaces from being scratched by Cordura bags. We carry two types of stock tape kits - the traditional clear tape which is hardly visible on the rifle, and the tan colored true Teflon PTFE coated film tape. Both types of tape are cut to 5 inch x 5 inch pieces and have peel-off backers. The clear tape is available in two rifle kits, and the Teflon tape is available in one rifle or two rifle kits.

Application instructions are included.

## Attributes

- Name: [BENCHRITE 1-GUN PTFE STOCK TAPE KIT](#)
- Manufacturer: [BENCHRITE](#)
- Product no.: 749001042
- Mfr. No.: 04-180

# TRUKOTE BENCHREST STOCK TAPE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TRUKOTE BENCHREST STOCK TAPE KIT. This product is designed to enhance the performance of your rifle by providing a smooth surface on the forend and buttstock. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of damage or wear before use.
- If you notice any defects, do not use the product and report it to the appropriate authority.
- Always follow local regulations regarding the use of shooting accessories.

## Specific Safety Precautions for Use

- Do not apply tape to any surfaces that may come into contact with the trigger or other operational parts of the rifle.
- Avoid using the tape on firearms that are loaded or in unsafe conditions.
- Ensure the surface of the rifle is clean and dry before applying the tape to ensure proper adhesion.
- Do not use the tape for any purpose other than its intended use as a stock tape.
- If you experience any allergic reactions or skin irritation from the tape, discontinue use immediately and seek medical advice.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the surface of the rifle where the tape will be applied using a suitable cleaner.
- Make sure the area is dry and free from dust or debris.

### 2. Cutting the Tape:

- The tape comes in precut pieces of 5 inches x 5 inches. If you need smaller pieces, cut the tape carefully with scissors.

### 3. Application:

- Peel the backing off the tape to expose the adhesive side.
- Carefully position the tape on the desired area of the stock.
- Press down firmly to ensure a secure bond and remove any air bubbles.

### 4. PostApplication:

- Allow the tape to adhere for a few hours before using the rifle to ensure maximum effectiveness.
- Regularly inspect the tape for any signs of peeling or wear and replace as necessary.

## Disposal Instructions

- Dispose of any unused or damaged tape in accordance with local waste disposal regulations.

- Do not incinerate the tape or any packaging materials.
- Ensure that discarded materials are kept out of reach of children and pets.

## **Contact Information for Further Support**

For any safety inquiries or questions regarding the TRUKOTE BENCHREST STOCK TAPE, please refer to the manufacturer's contact details provided in the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy using your TRUKOTE BENCHREST STOCK TAPE KIT responsibly!
